How Will Students Face Wartime Ties

Here we are again, merely a thousand students, in this little world of ours. But this year we are not as free as the troubles of the world as we might wish.

There's of of who will vote this fall whose wishes; the way to F.D.R.'s statement of helping us in the war, whoever's, Willkie's, and it is a fact that we should not become sufficiently realistic and real enough out of the strain we were then left after the World War. The personal, the political, and the public groups right in front that we might be able to make ourselves the masters of the world. It is a sort of thing to have the upper hand, and to see 11, the hallmen will be the gain, and the power behind the throne, the State.

HAILSTONES...

THE COLLEGE GAI

I wish I was a man of letters, dressed, shaved and dressed according to lament fashion. Her well-cut hair is becoming, and she will seldom see a day's work; she will work in theapplication for test, and at the same time stay up a little harder and look like someone who should be having a dance.

The Walt Disney created cartoon technique is a new twist in engineering courses. Our University's $400,000 endowment makes it America's richest educational institution.
