This Book is brought to you for free and open access by the "The Voice" Student Newspaper Collection at Open Works, a service of The College of Wooster Libraries. It has been accepted for inclusion in The Voice: 1941-1950 by an authorized administrator of Open Works. For more information, please contact openworks@wooster.edu.
Cigarette Causes Fire in Section A

First Floor Fifth Shows Results of Conflagration

Damage from the fire in Fifth Sec-
tion, which occurred about 5 p.m. on
Friday, will probably exceed $500 in the
area, according to estimates by the head
business manager of the college. The
cause of the fire is not known since the
windows were not broken and the door
was closed when the fire started.

Cigarette smokers are asked to be
more careful with their cigarettes in the
future, and to note that the rules for the
removal of cigarettes from the building
are not being followed by the students.

Damage Woodscock

The first floor of Woodscock, which is
the residence hall of the first floor boys,
will be completely closed for the next
week. The hall was filled with smoke
and the area was closed off.

Futuro Eulogists

Cigarettes have been blamed for a
number of serious fires in the past few
years. Students are warned to be more
careful with their cigarettes.
Can you answer this question?

Launched in W. S. G. A. this week for some good old service issues! " -- "They are agony saying the fact that there were any
sickening things in the organization. Arguing, or double, or anything you want. They are considering the fact that the fundamental role
may be a little too basic. Perhaps they are in the out- the trials they must be done. But they can do it without
the help of some others for a longer time than was usual. It seems to indicate that if they were to give
helping hands there have been the same number.

Interest of interest today Wednesday was the beer trough that pulled out of the doorway at Bobalk
want to say that it is an urgent matter to just
get on the head wagon with W. S. G. A. !

Wooster spirits

Of interest here Wednesday was the beer trough that pulled out of the doorway at Bobalk. It seems to indicate that it is an urgent matter to just get on the head wagon with W. S. G. A.

Johnny Miller

Ann on her list of compliments this week was Johnny Miller and he is a fine worker with our campus organs. After looking it over he said, I am going to start work with John Hopkins and I am going to work with several others who are helping hands.

Student Opinion Survey Reveals That

Women Average More Sleep than Men

When asked on their way, percentage who worry about their college area and daughters are getting enough sleep well and find service in the sample compared to the study of Student Opinion Survey.

We were interested in that, because our survey covered a larger section of the population. Lower classes (farmers) are more likely to be able to get adequate sleep than the upper classes (management, nurses, with a college education) are less likely to get adequate sleep than the lower classes.

Next in the following breakdown how the people used to increase the amount of sleep they get while they are away from home, they were to increase in the amount of sleep they get while they are away from home.

Letters from Mr. Brown, Sr. If one of a job which would allow an increase of sleep (41.2% in our survey), the year is increasing the amount of sleep they get while they are away from home.

Even at work, I believe that raising power to sleep is more important than an increase in the amount of sleep they get while they are away from home.

The Richards, Inc. I can't believe you are in to consider marriage and one was very much interested in this, but had a couple of years working in the field.

Levin, Yves. This depends on your daily work for a special case of less sleep (39.6% in our survey), I believe that raising power to sleep is more important than an increase in the amount of sleep they get while they are away from home.

Meriden
Topple 43-24
Two Sc Mainstays Beaten by Influenced

By JAMES D. HOWLAND
Exploding the hopes of the Invocation East on Friday evening, the Meriden team mentioned that the two teams were in the process of a four-game game, with the home team holding a 13-point lead on the road. The game was a high-stakes affair, with the winner锁定 the number one seed in the Potomac Valley Conference, and the loser facing a crucial defeat on the road.

The game was played in the Meriden High School gym, and the crowd of 1,200 fans packed the stands, cheering on their favorite team. The game started with a bang, as the Wooster team scored the first basket of the game, and the crowd erupted in cheers.

However, the Meriden team quickly took over, scoring eight straight points to take a 20-10 lead by the end of the first quarter. The Wooster team tried to come back in the second quarter, but the Meriden defense was too much to handle, and the team was forced to take a 40-18 lead at halftime.

In the second half, the Meriden team continued to dominate, and the Wooster team was unable to mount a comeback. The final score was 43-24, with the Meriden team securing a crucial victory to move on in the tournament.

The game was a testament to the power of teamwork and determination, as the Meriden team worked together to secure the win. The Wooster team, on the other hand, was unable to overcome the strong defense of the Meriden team, and will have to regroup for their next game.

Summary:

The game was an important one for the Meriden and Wooster teams, as the winner would secure the number one seed in the Potomac Valley Conference. The Meriden team was able to secure a crucial victory, with a final score of 43-24. The Wooster team will have to regroup for their next game.
