Clear the gallery

Are not college student old enough to know better? Can't they leave their papers up after class? The floor, you see, is as hot as the sun. I would be grateful if you would clear the gallery so that I can hear the music of the opera. I hope you will take my suggestion seriously.

The Voice Goes To The Pentagon

After being sent to the Pentagon by the Voice, I am inclined to regard the story of the meeting as a diplomatic snafu. It seems that after all the planning and effort, the officers of the Pentagon were not able to agree on where the meeting should be held. This caused a great deal of confusion and delay. Unfortunately, the Voice was not able to attend the meeting, but we are planning to send a reporter to cover it in the future.

Life in college...many other Ohio colleges failed in joining the winning universities; in Ohio, the Glee Society, York, and the Cleveland University Glee Club are known. As far as possible, I think that the winning college will be the one that has the most students in the orchestra and the most prominent wives. The greatest advantage of the winning college will be the fact that they have the most students in the orchestra.

The Adron Glee Club

John M. Hannig, a member of the Adron Glee Club, is to join the orchestra of the winning college. The other students of the Adron Glee Club are to join the orchestra of the winning college. It is a great honor for the Adron Glee Club to have such a great orchestra.

Don't let your college be at a disadvantage in the competition. Many of the winning colleges have orchestras that are composed of students who are members of the winning college. The Adron Glee Club is to be one of the winning colleges.
