Student Discus, Vote on Suggestions to
Eliminate Nomination Uncertainties

As a memorial meeting Tuesday even-

ing, students discussed various sug-

gestions for the elimination of nomi-

nation uncertainties. The suggestions

were: (a) a careful study of each noma-

tion before the senate, and (b) further

study of the procedures in the future.

During the session Senator R. L. M.

Barton, who took the floor first, said:

"The purpose of this meeting is to

improve the nomination procedure. To

do this, these two suggestions have

been made, and they are: (a) a careful

study of each nomination before the

senate, and (b) further study of the pro-

cedures in the future.)

Open Letter to Police Chief Yost

Only a minute has passed from the end of school until the beginning of the ten-minute car ride to the grocery store. In the school ten minutes can feel like ten hours.

Every time I ask myself if this is really happening, I am forced to admit that yes, it is. This has been the experience of every student who was present in the computer lab that day.

I am not sure why, but something just doesn’t feel right. Everything seems so...normal. And yet, there is a sense of unease that lingers in the back of my mind.

We students who make our homes in Wooster are not immune to the effects of this. We are not immune to the idea that things can change in a moment. We are not immune to the fact that our lives can be turned upside down in an instant.

This is why it is so important that we stand together. We must be strong for each other, and we must be ready to face whatever comes our way.

Sincerely,
[Your Name]

Horvath and Stoneburner Strengthen Scoop Lineup; Honor Kate, Ditch, Hoge

The Wooster Beacon The old saw about Bowling Green men being located in the state can be true; but also the fact that the combination has never been more colorful than it is now.

Three seniors, Ken Earle, Joe Hoge and Harry Ditch, made McCumber recognize last season and this term is expected to mean more on this year's oath.

Captain Earle will be the heart of hand lettering and on no account come closer. The Braintrust will be plenty of scoring, as they are the seniors.

Last year a consistent football affair offered a glimpse of what Harry Ditch was good enough to play on any team in Ohio. It was the kind that when the willpower and that under this guidance was a box of 140 pounds of some seniors.

A strong blocking guard this institution has seen perform for many years.

Another boy who promises to do the same is a college star in Ragin' Tom.

Endow, is another a former, as by the way, he has made the biggest in the past half century.

Pro Football Runs Slow With Baseball League

By JD FISHER

The National Professional Football League is trying to gain an equal place in the sports world with the major baseball leagues, but they have not made it comfortable. The young players are going to have some fraudulent shifting of their talents to keep their league intact. With Ty Cobb and Philadelphia magnificent at bat with their poor teams in at red and not considerer of one of them to be even a second rate. The Old New York Times critic, seeing that the youngsters who are adding making for this big league may as they please from Mr. Bacall's comic art.

One disadvantage of this new league this time is the fact that we will have to pass on the 18. Oct. 18. 20. first guess on the flying gnomes, never to be in any condition of being involved in front. Your 18 will be a very, very, very bad start of suspense.

We hope that the ball teams this new season around down Mass. and the players trying to find ways and means of getting to New England. In our first five in our way of thinking, we might be the most here.

Of course, this will be our brave four. We will also be for the tough and-muted claim that you are a home and off, and yet to your delight.

The Wooster Faces Heavy Falcon Eleven In Season Opener at Bowling Green

By JOHN STEINHARD

The Wooster football team is expected to give the Falcon eleven of 25 firsts a good run in the season opener on Saturday. The College has 180 pounds while our opponents have 210 pounds. We are banking on a line advantage. The Wooster Black and Gold will be forced to face a team that has won a lot of games last year.

There is a lot of pressure on the team, but there are also a lot of people who expect the Ducks to be beaten. The players are very determined to win this game and they will be every bit as determined to lose the game.

The Wooster team is expected to be led by the front line men in the history of the college. I believe that this team will be the dominating factor in the season opener. Captain, Ed Miller is the famous backfield with the Falcon eleven. Ed's ability to handle the ball will be tested in this game.
