Town, College Plan Parties for Halloween

Student head welcomes students to the high school visitors. It's a shame that you are here for only one day. A day visit to any college, and especially to Wooster, is a thoroughly enjoyable, informative experience. Besides the opportunity to see the college and the facilities, this visit offers the student a chance to talk with students and faculty members who will tell him all about their college experiences. It is expected that the high school student will find this visit as interesting as the faculty members do.

The welcome address was delivered by President Welles H. Johnson, who is also the President of the Ohio College. He said that he was glad to see the students from the high school and that he hoped they would enjoy their visit.

The students were then divided into groups and given a tour of the college. They were shown around the campus and given a chance to see the different buildings and facilities.

At the end of the tour, the students were invited to a party in the student center. The party was sponsored by the college and was attended by many of the college students and faculty members.

The party was a great success and the students enjoyed themselves very much. They were all very impressed with the college and the facilities and they left with a great deal of information about their college experiences.

Brian D. Wadsworth, President of the Student Senate, said that he was very pleased with the visit and that he hoped that the students would return to Wooster at some time in the future.

Seven out of ten students oppose America’s entry into Europe’s war

By no more than a two to one majority, the students of the College of Wooster are opposed to the United States entry into the war at this time. However, a majority of them approve the present administration’s policy toward the war.

A poll of 150 students was taken in the college by the Wooster Voice. The poll was conducted by the Wooster Voice editorial board and was preceded by an interview with the students on the matter.

The results of the poll indicated that a majority of the students oppose America’s entry into Europe’s war. A majority of them approve the present administration’s policy toward the war. A majority of them oppose the present administration’s policy toward the war.

**Letters to the Editor of the Voice**

**Dear Editor,**

I am writing in response to the recent article discussing the impact of technology on social interactions. While I agree that technology has its downsides, I believe that it also has the potential to bring people closer together.

HALL-KEMP - SPORTS COLUMN

Boasting back from the job market, sundry hussies and esteemed and successful sporting events in the region, we are now printing for this week's game with Wooster. Monday again is football season, the fans hope for the best, but the boys are a poor second to the same game of the season. It really will be nice to see some home ball for a change.

Basketball Men Ready to Begin Initial Session

With the close of football season everyone looks forward to the basketball season which is to start presently and naturally the coming of many athletic men who have been away from the Wooster Floor.

Coach Min-How is not seeing any great change under his tutelage. A week from tomorrow the Wooster ball squad will begin their first basketball season. The practice schedule for the basketball team is:

Tuesday from 2 to 3 p.m.

Wednesday from 2 to 3 p.m.

Thursday from 2 to 3 p.m.

Friday from 2 to 3 p.m.

Saturday from 2 to 3 p.m.

Sunday from 2 to 3 p.m.

Coach Min-How says that the Wooster Floor will be put up with work this season. It is a hard and long season, but he is the most practical man when it comes to the over-coming of his enemies.

Swimmers to Open Practice Drills For New Season

Not long to come, another Wooster swimming sport will be bringing in great swimmers from the past. The new coach, Coach Min-How, will be up and ready for action. Of course, the squad will be in a good way to begin their campaign over the past ranks of Wooster swimmers. This is the season that the schedule and the team is being worked on in a former Wooster pool. It is the time when the schedule is to be put up with work. Everything will be ready for the new season.

The way the Season is working out Coach Min-How says that the Wooster swimming team will be more than ready for their first meet. Some have bad news. Bill Min-How is planning to help the swimming team with his best. Coach Min-How says that the swimmers will be among those who try to use the chances of the coming season.

What appeared to be so much at the beginning of the season was a question of the number of the players in the Wooster High School Football team. The Pep Squad has turned out for a start of 50, so it certainly looks like a crop when it comes to the advantage of the team.

The Purple Rainbows have a number of them that are so good that they could be the last of the last. The team is a good one that is putting up a good show.

There are the Internationals on the squad and they will do their best to make the team in the practice field. You present will a number of them that are just as good as any man that can be had.

For the present, some of the names that are in the Internationals are:

Babe, Bob Nauheim, and Joe Wilkinsburg.

Mighty Scots Sink Muskingum, 20-12

Captain Ditch Runs 100 Yards For Second Touch-Down; Shin Also Scores

Before a large and enthusiastic Muskingum homecoming crowd, the Wooster Flyingquad took to the field at the Wooster Athletic Field in a game with the mighty Scots from7 Muskingum College. It was the first game of the season and the first home game for the Flyingquad. The game was played in Alliance against Galion.

Mighty Scots dominate a strong Flyingquad team in a game in which they displayed their strength, scoring four touchdowns in the game.

Caption Ditch Scores

With seven minutes left in the ball game he had the ball on his own goal line. He had run the entire length of the field for the third Muskingum score. It was the last touchdown of the afternoon.

The opening period saw little action, as the Flyingquad did not even come close to the goal line. The game ended with the board in the out of bounds.

Winston Thompson becomes second quarter and the Flyingquad had to begin their drive from their own 45. Just like a coming out of the huddle, Dick Thompson came through with the points to Muskingum on his own goal line.

An international kickout of the ball was made by the Flyingquad and Dick Thompson was given the scoring position.

Another punt from Edmonston to the end of the field was caught by Craven, who appeared to be carried out of bounds.
