Office Will Take
Applications For
Counsellors

Men desiring counsellorships
in the new war years will be
required to complete the
applications made by the
Director of the Student
Council.

It is in previous years, the
usual practice of the
Department of Military Values to
select for counsellorship
positions the men who have
_years of experience,

and who have demonstrated an
ability in the past to

deal with army men, and

the like.

The Director of the

Department of Military Values,

is the only one who

has the power to

appoint a counsellorship.

But he says that

in the new

years there will be

more counsellors needed,

and that there will be

more counsellors who

will be appointed.

The Director of the
Department of Military Values,
will be the only one who

has the power to

appoint a counsellorship.

To all who desire to

become counsellors,

he says that

they will be appointed

by the Director of the

Department of Military Values.
