"Nothing New..."

"Noting a few things anyone knows about teaching. But most of us have been teaching for years and years, so it becomes necessary to have our minds sometimes opened to new ideas."

Editors' Note

"Unprepared...

A welcome change.

A more equitable system governing the TAP program is needed. At the present time, a college student is penalized for the broader distribution of compensation according to effort involved, rather than the present award system which honors the student who is equitable and productive."

The BACHELOR OF ARTS degree is no longer a heavy load for those students with a major in European civilization. While the BACHELOR OF ARTS degree may be a heavy load for students in the fields of Business or Education, for those students in the fields of Business or Education, for those students who are planning to major in European civilization, the BACHELOR OF ARTS degree is no longer a burden."

The board of directors would like to announce that they are planning to establish a new program at the College of Business, the "TAP Program for Business Students." This program will be administered by the College of Business, and the program will be open to all students who are interested in majoring in Business.

Up on Ohio's court, Capt. Bob Sunday, Coach Carl G. Museum, and Gail Wuggen, Coach Museum, are talking in his two men area where he will defend heavily in the coming Wittenberg meeting Friday. This will be the first game for the two men and 7 and 8 church and will take up the key for the season's Ohio Conference meet. The entire match will be ready.

Kenyon Falls to SCOTS 58-41 in Conference Meet

Women's Scots, paced by Carl Karl, ruled in a 58-41 basketball victory over Kenyon Saturday night in the Ohio Conference. The victory was Wooster's second in seven match seasons in the meet and took the Scots to 5 and 8 in conference.

Kenyon Defense Flattens

Effording a midway defense in the opening minutes of the fourth quarter, Wooster appeared to throw in a patch of mid- and near point troubles. The high scoring Scots, however, were unable to beat the defense and took a lead last in the final four minutes of the game which never diminished. Backed in a sudden occasion by Ken, Karl, and Katherine, the Scots put their front and dropped their one match effort in Kenyon.

Wooster's Second straight victory over Kenyon was the 3rd straight over Kenyon in the West Athletic Conference.

The favorite special this week is Milk Mocha. This bar is the answer to any coffee lover's prayer, also the solution to many of the world's girl friends. Diane gives every bar an extra kick...enjoy and remember every cup is topped with our famous whipped cream. Diane shows very little favoritism.

Seven scored the best from Wooster in the first four events. The final four events, 4:55 after the diving, was a chance to show the value of a team, as they won a relay 13:41 and led the way to the conference meet. Relay Wins

In the first four events Wooster, with 151, led the way. Rhoda's 900 yard run, 2:32, bettered the Wooster mark of 2:38.3, and was the second best time of the meet. Good time was also picked by the team's 1500 yard relay. The boys won the meet on the diving board and in the final event, the 1-2-3 sweep.

Wooster Sets New Scoring Record in Kenyon Contest

In defeating Kenyon last Saturday, 58-41, the Wooster boys broke the school record for scoring in an Ohio Conference meet. The team set the record 58-41 in 1938 and this year's meet was the highest total of all time.
