Another Tradition—No!

Before the May Queen is elected, we would like to take this opportunity to advise all students what days we will be holding helpful committees. In order to ensure that in the future no one will be forgotten by the May Queen Committee, we shall now list the names of those students who will be considered next year.

This year under the new Student Senate election procedure, six candidates were nominated. The five who were not nominated are: Richard, student editor; Bluebonnet, student editor; Alex, Kappa; Alex, Kappa; and Alex, Kappa. The fifth and final candidate is a new one. He is Alex, a senior at the school.

It is our desire that in the future no one be excluded from consideration. Therefore, we are asking all students to apply for the position of May Queen or her alternate.

We hope that the new system will be a success and that all students will be able to participate in the election.

The election will be held on May 15th, from 10:00 a.m. to 12:00 noon, in the gymnasium. The vote will be by secret ballot, and all students are eligible to vote.

We hope you will all attend the election and participate in this important event.
Springs Tennis
Now that the basketball season is over, we can begin to set our sights on the tennis season which is fast approaching. Although spring sports have been somewhat curtailed, there will still be plenty of competition on the courts. In fact, there will be some tennis matches this week.

Coach Bob Bohn is planning to enter every spring athlete who wants to compete. The season will be held down to 50 names, so it is important that those who wish to enter register as early as possible.

The tone in tennis is now to develop all skill needed on the court. The hitting in college tennis is different than that in high school, but the more you practice, the better you will get.

The Tennis Club will meet at 3:30 today at 1462 North Washington Avenue.

Soccer Tankers Engage in Eight Matches During 42 Season
Eight goal machines will make up the 1942 squad, and will be worked by three managers, each with a distinct method of operation. It was this jock that gave the soccer team its early game last season. Its late and good success in the conference.

Semester Fees Reduced

A reduction of $200 will be made on each student's bill for the first semester. This change was recommended by the budget committee and approved by the Board of Trustees. The new semester begins on March 1. Students who take the course will be charged the new semester fee of $800. This change will reduce the cost of education for students and make it more affordable for those who wish to continue their studies. The reduction is a step toward making education more accessible to all students.
