YESTERDAY’S petition requesting smoking be banned on the campus of the University of Nebraska at Lincoln by the Student Government Associ- ation has been delivered to the University Administration. The petition was signed by 388 students, representing about 56 per cent of the student body.

The University Administration has not yet determined what action it will take in regard to the petition. It is understood that the petition has been received by the administration, but no definite action can be taken until a review is made of the petition.

The Student Government Association has stated that it will continue to work on the problem of smoking on campus until a decision is made by the University Administration.

It is understood that the University Administration will consider the petition and will make a decision in the near future.
Late afternoon action among four teams held Weidler Gym to four points while defending Dukes of St. Louis were downed 77-74 by the Scarlet Staters. The game was one of the Big Ten’s most interesting contests this season and should do a lot to further the Big Ten’s outstanding basketball year. The biggest gain was made by the Scarlet Staters as they clinched first place in the Big Ten. With three teams now tied at half for half, it looked as though the Scarlet Staters would be the team to determine the Big Ten’s champion. However, they made it to the final game against the Scarlet Staters, but with the final game of the season, they were able to clinch the Big Ten’s champion.

The Scarlet Staters were led by Jesse Larson with 28 points. They were also joined by Sam and Ben who had 10 and 9 points respectively. The Scarlet Staters’ defense was able to shut down the St. Louis defense and only allowed them to score 74 points.

The Scarlet Staters will now move on to the national championship game and are expected to make a deep run in the tournament.
