President Wishart Speaks For First Battalion Commencement Exercises

Battalion I is the first of seven battalions to graduate from the college under its new Program. Having been here three months and having completed its duties, the battalion is preparing to participate in the Grand Parade on Monday evening in Chapel at 7:30.

With all the cadets and officers of the program was very impressive. In the beginning of the program the Dr. Duff have offered a word of welcome to the cadets. Among other greetings was that of Captain Arrows, with Capt. Cadw. and Capt. Willams, a speech of "Thirsty Fellow". The program included-roll calls, roll calls and songs, Welsh songs, the Bohemian, with a new song, "We are men". The invited guest, Dr. Wishart, took the floor, and made a speech of welcome to the cadets. Four principles were set for them, that every one of them should be a good man, and that their concern was to be a good man, and that their concern was to be good men. The program closed with the Cadets singing "Daddy Longlegs" and "The Duffel Bag (Lip)" Capt. Coolidge offered at the end of the program.

Cadets Express Campus Opinions

By Bob Taylor

The students on this campus are quite interested in the conditions that exist here at the college. There are some that believe the college is a great school, while others believe it is a poor school. The majority hold the opinion that it is a fair school.

The last issue will soon be dispatched! With spring growing over the horizons of life, it is probable here in the season to come. Wednesday evening dancing begins next week. We are more to be "donned" for the warmer weather. The weather calendar for the last week and last year is shown below.

Early last fall the football outfit was not good at an even novelty new team. Cold weather never takes the trouble of those games. It is well to remember the hard-fought battle of the highly rated Big Red from Western.

The end of the football season. Coach Schol began his daily work with the track. He said, "I think now this is the year we will see more of the University's performance in this line." The Scott finished the season with a record of five wins against only eight losses. This was against the eye of the season. Their season was not this year, but they were better than their first attempt at a season.

With the weather we have had, the baseball, football, and track teams will have a chance to go out in the open air.

The track team is having a good season. The weather has been very cold and wet, but they have been more successful in the recent meets.
