AMERICAN RED CROSS

17 FEB 1946

Strasburg

Dear Folks:

The first day of the
leave finds me in this
duty French town. Initial
circumstances of the furlough are
difficult. The 1st night (last
nite) we spent at "Hotel Americas"
in Munich, the Leave Center
R.R. Station. An execrable evening,
+ a sleepless nite on rotten
mattresses. Left Munich @
6:30 a.m. This morning, after
having arisen @ 5 a.m.

The German R. R. coach

AMERICAN RED CROSS

On which we rode 14 hrs. from
Munich to Strasburg was less
comfortable than an American
or British streetcar, but I found
the universal counter-measure of
the traveler relatively effective,
namely sleep.

Should get in Switzerland
in the afternoon tomorrow.

Love, Bob
