Co-op Member "In the Light" 8/15/1944

One of the best and freshest women's organizations on campus, the Ohio College Women's Club, was the recipient of a new symbol for its annual meeting on Thursday, September 30th. The symbol is the "Light," and it is a symbol of unity and strength, reflecting the ideals of the club. The design features a lamp with a flame, representing the light of knowledge, and a wreath, symbolizing the club's commitment to excellence. The symbol is expected to be used in all official club communications for the upcoming academic year.
Life

Wooster has started a new year, under a new leadership, and with the odds about the possibility of the outcome are way too high to warrant any intelligent decision. Whether we will or not, the atmosphere of the town is certainly a dangerous one.

We are looking forward to the new year with the hope that a better one may come. It is our wish that the town may become more peaceful and free from any disturbances. We hope that the coming year will bring about a better future for our community.

Liberty

Are you willing to forfeit your chance to get your finger in the pie of the forthcoming presidential election? Because these are times of great international importance, there is a definite tendency to neglect our national affairs. There is no excuse for being farsighted about world affairs and near-sighted about our own. If the U.S. expects to remain in the main of major nations in world planning and organization, we must make sure that every bit of our strength is utilized.

Then, too, that we are fighting for the democratic way to cast your vote. We are not asking you to make that vote for your own good, but for the good of others. We are not asking you to vote for your own gain, but for the greater good of the nation.

Pursuit of Happiness

It was with whoops of joy that Wooster college opened the fall term. Perhaps the most outstanding change will be in the speech and stage roles. Young men are expected to be heard more than they were before.

Addenda

Briefly, a word of welcome to those in the Novel Reference. New cards for the store and windows display. You may desire a word of advice. If there is anything we can do, let us know. We want you to like the Wooster as we like it.
Another year, studies already place, that the growth is there and it is really growing. But there is a trigger that needs to be pulled in order to get that growth to actually happen. The trigger is a combination of factors, including a growing interest in Thai cuisine, the availability of high-quality ingredients, and the skill of the chefs. While there are challenges to overcome, such as finding the right ingredients and hiring the best chefs, the benefits of a successful Thai restaurant are well worth the effort.
Miss Guille Named Acting Dean of Women

Miss Frances V. Guille, the new acting dean of women, is a familiar figure on the Wooster campus. She succeeds Miss Rachel M. Kane, who is doing graduate work in the University of North Carolina this year.

Miss Guille graduated from Wooster, has her B.A. from Western Reserve University, and has done further study in French at Middlebury, Vt. She taught French and English at Rocky River, Ohio, until her return to Wooster in 1937.

She was an instructor in French until 1941 when she became Assistant Alumni Secretary. Since then she has taught French and been an instructor in the Naval Flight Preparatory School, and for the past two years has been Head Resident at Rockefeller Hall.

In her spare time she enjoys horseback riding and skiing. She is excited and enthusiastic about her new job, but says her greatest difficulty is connecting new students with old ones.

Nearly all of the new students were scheduled to appear on the scene during the first week of the fall semester.

Dean Guille, talking on "Religion on College Campuses," and Bob Freidman, on "What Religion Means to Me," the Presbyterian Minster, the Romanist, and the Puritanic were planned at the Retreat. Reports of the Student interests about the Big Four Drive to be held in November, the Big Four Constitution, the new Big Four Corporation. A prepared was made in advance to remodel the Big Four Plan. Plans were launched to interest professions as well as family.

Commenting on Sept. 27 the Big Four Cabinet meetings will be held every Monday evening at 7:15 in the Big Four Room in Lower Koshe.
