Willott, Kelty Vie For May Queen Title  In Finals Friday

Senate Predicts Close Race at Polls As College Chooses Post-War Queen

Jean Kent and Connie Willott were announced last night as finalists in the May Queen election which is being held tentatively in the Student Center. The preliminary contest included: Norma Berger, Bobbi Buhl, and Dotte Campbell.

Jean, who lives in Hidden, half from Wheeling, W.Va. and has been in all of her college courses except Women's Tech Cooperation, in working up the talk all the time she didn't spend studying for her exam majors—stays here.

Brown hair, brown eyes, and present dress complete the g.m. who was declared even to be considered to be queen.

"The honor of even being attended is sufficient enough to make me want that the water and my outburst be the highest as the best.

Corrigals Falls is "barrin, scowling" to be blue-eyed and ash-blond colored Willow Wells who wins the vice-presidency of Sphinx and Class, and will become President of Sphinx and Class and French Club.

For four years she has been working toward her French-Latin major.

"Gosh, I was surprised, peaceful and even so happy," was all she could manage as she received her selection notices.

Gore Conducts The "Elstatic"

Meridian's bounteous "The Elstatic" will be presented Sunday, Mar. 10, at 8 p.m. by the College Choir. The program will be a verter performance of--

Professor Richard T. Gore will conduct the Orchestra, Miss Maxine Brown and Phillip's Sacred Harp, Miss Masie Brown and Miss Peggy Brown, Miss Dorothy Smith and Miss Elizabeth Smith, Miss Darce-Jones, Miss Franklin, and William Deanes, honor, as one of the associates for the presentation. The choir will be assisted by Miss Martha Sawyer, Martha-Watson, and Robert Penn, Johns.

Weigel, Moser Head V.A. Here

In addition to the usual concerts, several other concerts will be open to the public. These concerts include: the French Club, the Societas, and the Phi Beta Sigma.

Weigel and Moser have been chosen as the new directors for the V.A. Here. These directors have been chosen because of their leadership, work experience, and dedication to the organization.

Weigel and Moser will be responsible for the planning and management of the V.A. Here activities, including the coordination of events and the development of new initiatives.

The V.A. Here is dedicated to providing opportunities for students to engage in community service and leadership development. It is committed to fostering a sense of responsibility and commitment to the greater good.

Two of Scoats' Five Entries

SFR Analyzes Union Smoking. Chapel Cuts

At the meeting the Student-Faculty Senate, a group of five students and five faculty members, was formed.

The committee recommended a ban on cigarettes that would be in effect in one room on campus from 7 to 8 p.m. It was suggested that if breakfast was served only in one dining room, it would be necessary to have only one area where smoking was permitted. The problem of how long one area of the campus was to be used by students was discussed and Doris Souther reported that the Student Senate has planned definite action as an answer to this problem.

Smoking in Union

The first session on the agenda was the problem of whether or not the Student Senate should be blamed. The name was discussed and Dr. Lowrey made a motion that the Student Senate had not been in the chamber. For further discussion the motion was carried, and a day was set for further discussion.

The meeting adjourned in one-hour session and a half looking to be a success.

Red Cross Units Meet in Columbus, Compare Plans

Hospital school and campus service units in the Greater Columbus area met on Monday, March 2d. The meeting gathered representatives from all the units throughout Indiana and Ohio to discuss new projects.

Representing the Red Cross units were Charles Varner, director of the heart association, and Edward L. Bowers, director of the American Association, to discuss public and private.
The Wooster Voice

THE VOICE, official student publication of The College of Wooster, is produced weekly by the Newsroom. It is published on Thursdays during the academic year and is also published on Thursdays during the summer months, as needed. The student publishes the Voice in the interest of the College and its students. The student reserves the right to publish any and all editorial content. The student publishes this publication without funds from the College.

"It Might as Well Be Spring"

By NORM WIGHT

Would you be either offended or pleased if smoking were permitted in the Student Union?

This question is asked in an effort to discover if there is any considerable student desire that smoking be allowed in the Union. The attempt has been made to ask only those with a positive desire to change or maintain the present policy. If you were not pleased with this poll and do have such an opinion, please write it out and place it in the Student Suggestion Box in Kable by Monday, 8:00 a.m.

"I'll be pleased to have smoking in the Union if I think the Union is too cold. Lots of people would like to use the furnace and would prefer smoking in the Union as a way of heating the place, especially during the rainy seasons."

"I think it's important that the Student Union be an anti-smoking center."

"It is a social activity and a source of enjoyment."

"I think that smoking is an essential part of the life of a student."

"I don't think there should be smoking in the Union because it is good to have a place out where you can't smoke except when you are in a place specifically designated for smoking."

"I am against smoking in the Student Union. As long as we have a car like the Shelf where the students can blow away the smoke, why do we have to spend money on a separate anti-smoking center?"

"I don't think it would be a bad idea to have smoking in the Union."

"I think that smoking in the Union should be allowed."

"I think smoking is a necessary activity, and it should be allowed."

"I think that the Student Union should be an anti-smoking center."

"I think that smoking in the Union should be allowed."

"I think that the Student Union should be allowed to have smoking."

"I think that the Student Union should be allowed to smoke.

The Wooster Voice

Collegiate to Glory by Cynthia Hayes, Wooster, Ohio. Ohio State University, Columbus, Ohio, a member of American Association of University Women. This is a study of the history of women's Stanford in the U.S. The author's work was published in 1944.

Robert Kendall Reports on U.N.

A proposal to shift supervisory assessor from the United Nations Organization to the government of the member nation in the politico of the world by means of revised applications of delegate to the General Assembly was presented by Representative Kendall at the annual session of Congress.

U.N. Reform Agreement as an attempt to rationalize the understanding of the atomic world, it is hoped that the proposed agreement will entail a shift of the world's government towards a more democratic and less centralized organization.

The document of the Federal Constitution of the Commonwealth will be examined by the Federal government. In the discussion which followed, the reporter of the referendum bore the name of the movement, which was then begun to be a number of popular organizations.

The draft of the Commonwealth constitution should be submitted to the government for examination. The report of the referendum bore the name of the movement, and was then begun to be a number of popular organizations.

Couldn't Make Shots

There was much talk recently about the basketball season in Wooster. Since the beginning of March the Cagers have had quite a few losses. In some games they played, they would end up not to do at all. They seem to be losing interest in the game. The Cagers themselves probably did not notice as it is the second year since they took the lead from the Owls. The Owl's last year's season was not the best. They could use a new shot at something more than just the game. The season seems to be looking long for all. The Owls season themselves probably did not notice as it is the second year since they took the lead from the Cagers. The season was not the best for all. The Owls would have to come back and try again this year.

Scott Cagers Improve As They Come Close To Winning Final

In the final game of the year the Wooster Scots were defeated by Findlay in a score of 14-44. The Scots had the best game of the season in the game. The Scots earned several points during this game.

During the first half Findlay held a small lead over the Scots. However, they could use a new shot at the game. At the end of the first half the Scots were up 14 to 44. As the second half began the Scots made a point to 24-44. Findlay scored two buckets in the second half of the game. However, the Scots scored 14 points to make it 38-44 for Findlay at the end of the game.

The game began with the second half Findlay scored beautifully and easily defeated the Scots. With a score of 24-44 to 38-44, they seem to be the team to watch this year. Reeder and Sperber were the big stars for Findlay as they were all over the court scoring points. Both were forwards and have been back with the team for the second year. The game was the final one for the team. Findlay's record for the year was 26-7 and the Scots were 26-7.

Voices All Choose Opposites As Season Ends

Since the basketball season in Wooster is over, is there any interest you have in the game? If you give your opinion of the game you played against the Scots this season. There will be lots of time for players to choose and face it may happen that one of the better players misses out on this season. After careful thought, how will you make your choice?

A summation of the 1945 season

We have arrived at the end of another year. This year we have seen the football season, the basketball season, the baseball season, and the swimming season. All these seasons have been filled with ups and downs, but the Owls have come out on top. The football season was a disaster. The team lost 12 of 13 games. The basketball season was better. The team won 4 of 7 games. The baseball season was a success. The team won 5 of 9 games. The swimming season was a success. The team won 4 of 9 games.

Seventh and Fifth Ahead As League Passes Middle Track

Last Thursday evening, Feb. 18, seven games of the inter-conference basketball tournaments were played.

In one of the games, the Eighth Section played the Third Section of the Midland League. The Midland League is a 12-team league and the Third Section is a six-team league. The Third Section team played against the Midland League team.

In the fourth game, the First Section team defeated the Eighth Section, 54-30. In this game, the First Section was the highest scorer of the games with 54 points. The Eighth Section scored 30 points. In the second game, the Second Section team defeated the Fourth Section, 30-21. In this game, the Second Section was the highest scorer of the games with 30 points. The Fourth Section scored 21 points.
Many Receive Honors In "A", "B"

The following students have received the highest grades, "A", in each of the following courses for the fall quarter 1945-46 in The College of Wooster. See list below. All students receiving grades of "A" in any course are eligible to receive these awards.
