Young Republicans Plan New Activities For Election Year

Mr. Joe H. Bindley met with the cabinet of the Young Republicans Sunday afternoon to discuss the program for the coming year. Many plans are underway to discuss the issues involved in the national election which takes place this November 6.

Republicans Active

Soon there will be opportunities for each loyal Republican to participate in activities centered around the campaign. The meetings will consist of panel discussions, debates and outside speakers. In the middle of October election of officers is to be held. This will be followed by an active campaign promoting the Eisenhower-Nixon ticket.

Last year the club promoted a mock Republican convention. About half of the student body joined the bandwagon to support this activity.

ETS Offers Exam To Future Lawyers

The Law School Admission Test required of applicants for admission to a number of American law schools, will be given throughout the United States on the mornings of November 10, 1956, February 16, May 4, and August 10, 1957.

A candidate must make separate application for admission to each law school of his choice and should inquire of each whether it wishes him to take the Law School Admission Test and when. Since many law schools select their freshmen classes in the spring preceding their entrance, candidates for admission to next year's classes are advised ordinarily to take either the November or the February test, if possible.

Make Application Early

A Bulletin of Information (in which an application for the test is inserted) should be obtained four to six weeks in advance of the desired testing date from Law School Admission Test, Educational Testing Service, 20 Nassau St., Princeton, N. J. Completed applications must be received at least 10 days before the desired testing date in order to allow ETS time to complete the necessary testing arrangements for each candidate.

Sophomore Stars In Nash Comedy

by Lee Bruce

The early birds on the campus this year are the cast in the 1956 Homecoming play, *Rain Maker*. Because of the early date of Homecoming, the cast began almost constant rehearsal before school opened this year.

Foremost Young Writer

Rain Maker was written by N. Richard Nash, one of the foremost young writers of our time. He has done outstanding work for television along with the stage. Mr. Nash also has written *Young and Fair* in which Julie Harris received her start on the way to success. *Rain Maker* was first produced in 1954 in the Cort Theater on Broadway. Geraldine Page had the lead on this successful run in New York.

Lois Chamberlain Leads

The play, which is a romantic comedy, is being directed by Mr. Craig, head of the speech department. Mr. Stanley Schultz, a new member of the speech staff, is assistant director. The cast includes Lois Chamberlain, the lead, John Gooch, Dick Hyde, Ray Macchesney, Bob Watson, John Wilson, and Gordon Wood, supporting cast. The play opens October 10 and will end October 13.

Tickets, Anyone?

Tickets will go on sale Monday morning, October 1, at 9:30 at the speech office. The cost of the tickets for Wednesday and Thursday nights will be 75c and 90c for Friday and Saturday nights.

Sixteen Freshmen Win Scholarships

This year 50 Presbyterian College scholarships have been awarded to students throughout the country. Out of the total number of 50 scholarships, 16 have been won by freshmen who have just entered the College. To qualify for a Presbyterian scholarship, applicants are required to be members of a Presbyterian church for one year prior to filing the form. It is necessary to have been ranked in the top third of their secondary school class at the end of their junior or next to final year in secondary school.

On October 24, 1956, the candidates for the 1957 awards will take a qualifying test which will be given in every secondary school which chooses to administer it.

Wooster Award Winners

The 16 Presbyterian scholarships awarded to Wooster freshmen went to: David Ackerman, Frank Baker, Douglas Burger, Margaret Chambers, Marilyn Cross, Judy Holliday, Gary Ireland, Carol Riemer, Sandra Shaw, Robert Trickey, Nancy Wimbish, Lewis Wood, Karen Woodard, Susan McNeill, Byron Shafer and Gail Waters.

Your Approach Contributes Too

The time has come when most college newspapers are floundering in the usual trite editorializing which accompanies the start of a school term. We, however, shall leave the making and breaking of resolutions to those stricken with a September conscience. For the moment we are not concerned with September or 1956-1957, but rather with the college career as a whole.

By now most of us know that college is a mixture (sometimes a real mess) of things academic, social, extra-curricular, religious, and romantic. Sometime during our four-year stay in the halls of higher education we should develop in each of these ways.

However, we believe that college is more than four years of growth for the individual student. We take a "Spencerized" view to the College of Wooster; we love it dearly, but we admit it is not quite paradise on earth.

We believe that an individual's stay at the College of Wooster could and should produce growth for the college. We do not count any student worthy of the college if he has a contribution to make, no matter how small, and does not make it.

This is the advice that we, in the autumn of college education, leave to you who are in the spring and summer of it. Make your four years a matter of growth for you, the individual, and for this, the college community.

Brotherhood Brings Letter Of Thanks

Our six dining halls will once again be used to settle the annual question pertaining to Brotherhood Meals when students vote Monday evening.

Last year our funds went to the Inter-City Protestant Parish of Cleveland and to the support of five Navajo children sponsored by the Save the Children Foundation. The third place to which Wooster students contributed was World University Service. Through them Wooster helped Trajan Popesco, a Rumanian D.P., to complete his studies in music. The following is a letter sent by him:

"I will be through with my studies, conducting and composition, at the National Conservatory of Paris, this coming June.

Appreciates Help

"It really was most kind of you to have thought of sending me money these last years, helping me thus carrying through my studies. Believe me I appreciate this help tremendously, especially as I have the worry of my family (three children and my wife). May I tell you that I am thinking of going to Hilversum (Netherlands) in July and to Salzburg (Austria) in August in order to take part in International Competitions for young conductors. All this is rather expensive for me, but on the other hand it is absolutely necessary for me to meet people and to get known in order to find a job in September.

"Could I trust you for this summer term, which means so much for my future? I hope that some day I will have a chance to come to your country. If God permits I may be able then to conduct a concert for the benefit of your college! It would be a great pleasure for me to express in this manner my gratitude to you."

Sincerely yours,
Trajan Popesco

Plans Go Ahead For Construction Of Wagner Hall

Plans have been made for the construction of a new dormitory to be known as Wagner Hall. The dormitory is the gift of Mr. and Mrs. Cary Wagner, '15. Mr. Wagner is a member of the Board of Trustees.

Contemporary Style

The building is the design of Mr. Schooley; it will be of functional and contemporary style; however, the exterior brick and stone will be similar to the exterior of Compton Hall. It will accommodate 114 women. Since the design includes plans for several single rooms, Wagner Hall will probably be occupied by juniors.

Eventually a common dining hall will connect Compton Hall and Wagner.
