Lincoln Fund Solicits Student Support
Endowment Drive
by Larry Honeff

Worsters are striving to achieve a long-discussed goal for the campus community: a Lincoln Fund. The fund, a response to the decrease in support to the SGA, also aims to mirror the strength of the Lincoln Funds at other institutions.

The immediate project for relaunching the endowment of the Abraham Lincoln Memorial Scholarship Fund will attempt to solve the entire student body in a spring vacation solicitation of home swatches and other homes.

Worsters students renewed an effort to revitalize the Lincoln Fund. The fall of 1966 saw the first plans for an endowment drive, to provide scholarships to students who are capable of doing college work but lack the funds needed for further education. Initially founded by the Student Senate for the support and benefit of students, the fund has enjoyed the joint sponsorship of the SGA, the CCA, and the NAACP. The NAACP has sponsored the fund for all black sales, while the SGA, the CCA, and the National Honor Society have appropriated funds for the scholarship.

The present endowment of the Abraham Lincoln Funds stand at approximately $7500. The fund provides only a small annual contribution, mainly to assist students during the spring vacation.
Readers Condemn Effects of Destructive "Hoses"

By Lance Rebello

It is distressing to see that trends in Africa are following a similar course to that of Latin America—a trend toward a decrease in democratic rule in Africa. None of the previous military campaigns have had a significant role in the government (even prior to the advent of democracy).

The future of democratic governments in Africa has been jeopardized by the recent military takeovers. These governments are likely to be achieved through non-violent means, and 3) they are a commendable action against the military rulers like Nkrumah might thwart their efforts. Neither of these offers any significant role in the government.

The College of Wooster has been frequently criticized for its support of the regime. It was largely the result of the insinuations made by members of the regime.

Six Scots Go To Denison
For Indoor Track Finals

by Josh Steep

This Saturday weekend sends Kenon, Dan Sabo, and a mile relay team consisting of Sabo, Norris, Hugh Ruffing, and either Jim Long or Pat Devrey, to the Ohio Conference Indoor Track Championships at Denison University.

Sigs Fall To Second, Retain Top IM Spot

by Neil Smith

Second finally did it. Last Tuesday they played their last game of the year and defeated Sixth AA by a score of 40-18. At the end of the first half Sixth AA was in the lead 22-11. The game was of the usual slow and steady sort and were up by 4 points, 33-19.

From the beginning of the second half, however, it was a different story. Second caught fire and played like a team, and from then on there was no stopping them. At two points they were up by 8 points. Sixth AA tried a comeback and got back within 3 points, but the closest they got was 10. It was a great effort on both sides. The game was the last meeting of the season and both teams have a real nice time.

Second got a great individual effort from Paul Key, who had a total of 10 points, and from Paul Key, who had a total of 10 points, and from key people on the team. He was both offensively and defensively a strong force against the other team. However, Sixth AA still has a long way to go.}

The indoor season ends with back-to-back meets—the Kings of Canton Relay in Wednesday, March 10 and the Livestock Palace on March 8.
Pass this quiz and you will fly to Florida or 79 other places for half fare.

Any 12-year-old can pass it.
