**Pledge The Big Four**

The Big POUK will inaugurate its 27th Annual Drive next week. Once again, Woodrow members are asked to dig deep into their pockets to support this worthy endeavor. This year’s DRIVE is more important than ever before, for three reasons.

1. Our country emerged victorious on the battlefield. It paid a heavy toll to pass through the Arch of Triumph. That same arch of triumph on which the student arch is modeled is on the campus. It is the battle against all that is evil which has brought the greatest peace to our country. The battle against all that is evil which has brought the greatest peace to our country. So it is fitting in this moment, the most significant moment in our lives, for all of us to come together and give what we can to benefit Woodrow — for Woodrow, our campus and country.

2. No one could have imagined the imponderable calamity which befell the world this past Monday. The battleous effect of this calamity is the concern for the world.

3. In the face of all this, it is the task of Woodrow to be a part of the fabric which will bind our country together. We must answer the call of our country and do our part.

As a result, we are appealing to all Woodrow members for a special effort beyond our regular contributions. We ask each member to give a minimum of $1.00. The campaign will continue through April 18. Let us give a big shout of appreciation to the Woodrow student government for its cooperation in this endeavor.

Wooster Scots Meet Strong Muskingum
Eleven at New Concord Saturday

Munson has scored 74 points against aaney opponents, whereas Win- ston has topped 34 against three foes. Munson has averaged 18 points a game while Winston has averaged 11. Both teams possess an offensive record, having allowed an average of 11 points a game.

The Muskies have been unable to win a football game from the Scots since the 1910 season when Wooster twice downed, 36-0, Winson. In seven seasons since, 1910, Winson has won six times, and three have ended in a tie.

If past performances mean anything, tomorrow's game between these teams should provide plenty of chokes.

fourth consecutive time in the last two games, making the score, 214.
Severin and Horvath Outstanding Severin's, omnipotence was well evident, so dark they built the game and the ultimate success of Wooster. Denison had no second from Denison and set up the second TD by dint of a pum conmenipavement.
Three of the five punts interpretations were made by Severin, and five in a row.

Important contribution faster to the 101 yards that the Scots attained by making a kill to the end. In brief he caused Denison to "sow" of the game.

Mighty Mike Horvath, Winson's right guard, was constantly on the prowl throughout the game. Like a boxing bug in a Boxer, Mike kept his activity high, there, and everywhere. His tickling and blocking was vicious, and when attacking, Mike opened holes and the line through which John L. Lees rushed.

SCOTT HARRIERS PREP FOR B-W

Coach Carl Menolfi's strong outfit showed its rapid improvement. The Scott Harriers are now "preparing aggressively" for their next dual cross country meet with Baldwin-Wallace.

This event will be held in Perrysburg on Nov. 7, before the D-Day football game under way. Other meets include the Ohio Conference meet or Oberlin on Nov. 14 and the dual meet with Chen-

Ten men on the squad are interned as compared to Winston's seven. John Abdul, halfback, is Munson's leading scor- er with touchback to his credit.

Munson will undoubtedly see the feature in its 24-con- tent of Capital. The last that the Scots could accomplish against the Fighting Buckeyes was a 35-6 defeat. Thus for this season the Muskies have four losses and one win, for a total of 0-6 0-6 and 2-4 City University.

The Scots, after losing their opening game to Findlay, have trimmed both Capital and Denison.

"The 15-0 defeat of Denison marked the 11th time during this series that Denison has exhibited Denison. Denison, in so many cases, have lost seven times. Two season time was involved. And only on an exceptional occasion," Harvey said, "have the Scots scored less than 10 points against the Granville Grenadiers than they did last Saturday.

Ushering, Harvey shopped down, "Not only was my opportu-

ity, I dashed into the shack via the service door and will emerge in front of the new store."

I see no point for further discussion.

This program committee will focus
prominent business men, both local

likely to concentrate on problems of
