Spring Election Promise Offers

Petitions for May Queen, Senate Fray, Men Representatives, Go Out Monday

Spring, a day for debating quality, all is but here. This prediction is based on either the calendar or the return of the危机, but on the introducing of the note that next Monday will be the date for the selection of Wooster's 1947 May Queen, Marilyn D. Heitmann, and continue Wooster's tradition of beautiful Queens.

At the same time next week other students will be submitting their applications to continue a new Student Senate (for the men or a new Junior) and three freshmen, one from each school, are likely to be called for. The returning senior position has a new occupant. Weather conditions permitting, the tryouts will be held on the campus.

All petitions are due by Friday, March 14th, at 3:00 P.M. The student body has no say in the selection of the May Queen. The Board of Directors will decide on the final selection.

Primary elections will be held on Thursday, March 20th, at 3:00 P.M., and all the seats will be won on Thursday, March 19th.

The Red Cross Drive

Howdy, Wooster.

The New Student Senate, which is in charge of the Red Cross Drive, has done an excellent job. They have been working hard, and have made a large number of cents in support of the Red Cross Drive.

In order to give all the students a chance to participate, the Red Cross Drive will be held on March 20th. All students are encouraged to donate money to the Red Cross Drive.

In order to encourage all students to participate, a special prize will be given to the student who donates the most money.

The Red Cross Drive will be held on March 20th. All students are encouraged to donate money to the Red Cross Drive.
Professors Are Human

Professors are human, too! Not an amazing fact and essentially not a secret. What is truly remarkable is how many continue their activities that would impress a movie scriptwriter.

Wooster's Big Guns of '46-'47 Basketball

By JIM HORN

Manager. Mr. George has announced that the Bowling Club will meet in the bowling alley downtown. Anyone who wants to go may find something to do and have a good time.

In the Westmen's Intermural Basketball Tournament the Westmen's "B" team, less than perfectly tuned, met some tough opposition. The Westmen's "A" team, which is definitely in the running for championship honors, and the G. L. B. Lightfoot squad, 14-14. Notice in all basketball players: Take care of your knees. Two knees will be given to defend for 6 or 7 weeks. The knees will be given to those who do not attend all practices.
