Hawkins,耐德的。

This is sadie’s first column, and you can see that she’s been so busy this year that you’ve probably never heard of her until now. Your “Lil Ahmets” have been so busy this year that you’ve probably never heard of them until now. Let’s give them a chance, and get the theme set now.

There’s still time, ask Polly and Dauna. The theme will be “Nothing like a good time.” The theme must be set now.

Salute to "Pop"

This week at The College of Wooster we pause to acknowledge one of the most beloved figures in the history of our civilization — the institutions of a "B.A.D."

The celebration of this grand guy has a certain appropriateness about it now that it's the 37th anniversary of the "cooper part of Wooster student life. They figure in our athletics, they are part of our social activities and more than anything, they are a part of our daily life. They are, of course, the cheerleaders.

And so, about uwr.g.

But before we conclude, I'd like to remember Barbara Wilkama, who was a member of our class. She has been remembered in the Wooster Alumni Quarterly, and I'm sure you all know of her. She was a quiet, unassuming young lady who was a member of the freshman class.

Unfortunately, she passed away earlier this year. She was an integral part of the college community and will be missed by all who knew her. She will always be remembered as a shining example of the spirit of Wooster. She will always be remembered as a shining example of the spirit of Wooster.
Jim Kennedy

“Kendrick was sure the hitter through the high-speed stuff, hitting over and straightaway. He has a big-time stuff, and he’s got a good curve.”

Jimi actually arrived in a football camp in Muskingum and was given the honor of serving as assistant coach, but he didn’t start until he announced his plans to attend school at the Ohio State University.

In the letter game Kennedy was recognized as another outstanding defensive pitcher.
Dr. Ruths Jones To Speak

Dr. Ruths Jones, national authority on domestic science and household economics, will be in the public eye here in the coming days as she delivers her two talks on the subject of domestic economics. Dr. Jones will address the current trend towards home economics and how it can benefit individuals and families.

The talks will be held at 7:30 pm on Monday, May 16, and Tuesday, May 17, at the YWCA auditorium. Tickets are $3.00 each and can be purchased at the door. Refreshments will be served following the speeches. Dr. Jones's talks are sponsored by the Women's Club of the city.

Bill Johnson, current head of the Women's Club, said, "We are thrilled to have Dr. Jones here in town. Her talks are always well received and满期待 informed. We believe her insights on domestic economics will be valuable to our audience."

Dr. Jones is the author of several books on domestic science, including "The Domestic Economist," which has become a classic in the field. Her lectures are known for their down-to-earth approach and practical advice.

Dr. Jones's visit is part of the Women's Club's annual Women's Day celebration, which is held in May. The club will also host a lunch and a fashion show during the week, featuring local designers and models.

Join us as we welcome Dr. Jones to our community and learn more about the importance of domestic economics in today's world.
