**Fresh Clutch Plans Musical Worship**

"Music hath charms..." we are told on the assumption that music has more than the powdered wigs and frosted coiffures of Foss's Finest. Foss's Finest is presenting a "Weekend through Music" program this Sunday at 1:15 in Lower Wooster.

Flavored by three members of the chorus, the service includes Fitz's Trial trails, violins. Miss Mary Anne, Dick Bird, voice arias, Peg Round, soprano, and Sally Round, pianist will sing the Lord's Prayer.

All freshmen are most cordially invited to attend the services at the Old-fashioned music and the attractive altar, as through the pews there has been very little chance to include any real beauty. Contests by boys and girls in the church of our own church are our own, as the pews of the Old-fashioned church are our own, and the pews of the Church of the Lord's Prayer are our own.

What a wonderful way for a bridesmaid or graduate to look. Very exciting in crisp, crackling rayon taffetas with a fitted basque top, the wide full skirt topped off with a cascade of frills at the back. Heaven blue. Junior sizes.
