To Trevor

To the Committee,

Dear Williams,

Either two or four of the faculty-approved committees may be adopted, and in the process, certain procedures will be followed:

1. The process begins when a proposal is made and submitted to the Student Government Association (SGA), the general faculty, or the Student Senate. Proposals are reviewed and discussed at a faculty meeting.

2. Proposals are also considered during the Student Government Association (SGA) meeting, where they are reviewed and discussed.

3. Committee proposals are then sent to the appropriate faculty committee for further discussion and approval.

4. Proposals are then presented to the faculty at large for final approval.

5. The final decision on the establishment of a committee is made by the faculty at large.

The process is designed to ensure that committees are formed in a manner that is fair and equitable to all faculty members. The goal is to create a system that is transparent and inclusive, allowing for the diverse voices and perspectives of the faculty to be heard.

Sincerely,

Julian Bond
The only people worth anything are the Montanans. These are the dark-skinned mountain people who plant and harvest the dry rice, corn and gourds. They work all day long in their fields — all day long. They are very anti-Viet Cong.

The country is beautiful here. We have over 700 species of birds and N'eh Twin completely washed out.

The bombing hasn't hurt us here for another month or so...
Central State Throttles Scots In Cage Opener

by Paul Meyer
VOICE Sports Editor

Only a handful of Wooster cage followers were on hand last Saturday night to witness the opener of the 1968-69 basketball season as Central State's Marauders ripped the visiting Scots 57-31.

Such inconsistent officiating helped bring about the Scots demise, but as head coach Al Van Wie pointed out, "It was their talent that was the deciding factor." Central State had four starters back from last year's NCAA championship squad, which doused Wooster 82-50 a year ago.

Even so, the Scots jumped off to an 8-0 lead in the first four minutes. Then the Marauders caught fire and took the lead at 12-10, never to be headed. Appropriately enough, the basket which gave Central State the advantage was after an unbelievably poor call—or rather lack of any kind of call—by an official.

A shot by one of the Marauders bounced high off the rim and rolled over the backboard, touching the supporting wire as it did so. Usually this is considered to be the ball being out of bounds and the Scots should have had control. However, the rule was to be different at CSU. Sterling Quant, the Marauder center, picked up the ball, banked it in for an easy two-pointer and Central State was off and running.

At halftime the count stood 22-12 in the Scots favor as they had a field goal during the final 12 minutes of the half. Guard Kenny McHargh opened the second 20 minutes with a medium jumper to cut the lead to 24-12. Central State outscored Wooster 27-10 in the next 15 minutes to assure itself of the victory.

Sophomore guard Tom Dinger was the night's bright light for the Scots. He tallied 18 points for the night, 14 coming in the second half. From the field, the Mansfield Meteor (as the local press has dubbed him) connected on 6-of-11 shooting for 12 and added a pair of free throws. "Dinger did a great job," Van Wie praised. "Not only scoring, but also his passing and his defense were outstanding."

The Scot mentor still is trying to find an adequate replacement for Mike Beetie, last year's captain and starting forward. In an effort to get more drop step into the Wooster attack, Van Wie promoted freshman Jay Langhurst from the jayvees on Monday. Langhurst and Mike Grenz each scored 14 points as the Scot jayvees dropped a 52-49 decision to Central State's freshmen.

Tomorrow Wooster travels to Wittenberg for the Scots' second Ohio Conference battle, then plays Kenyon at Gambier, O., next Tuesday night. Both teams are expected to be in the thick of the conference pennant battle. "Wittenberg is loaded," Van Wie said. "They have three seniors back who have been regulars for three years and they also have two juniors who have played a lot. If it ain't their year, they won't have one for a long time."

Kenyon has impressive credentials, too. In addition to being written up in a recent issue of Sports Illustrated (sometimes the proverbial kiss of death), the Lords boast two of the finest guards in the nation—John Dunlop and John Rinks. Dunlop, the captain, is a 6-0 senior who averaged over 24 points a game last year. Rinks was an All-American choice on the strength of his 31.5 average. "They're just great ball players," Van Wie exclaimed.

CENTRAL STATE: Graham 7-1-1-4, Grantham 7-1-1-4, Olson 3-0-0, Hills 2-1-0-4, Fields 6-2-2-12, Total 21-4-6-31.

WooSTER 29: Dinger 1-1-0-2, Thompson 1-1-0-2, Verellen 0-0-0-0, Beach 1-0-0-2, Driver 1-0-0-2, Mullhaupt 1-0-0-2, Total 4-1-3-14.

Halftime score: Central State 37, Wooster 17.

SCOTS DROP SECOND The Heidelberg Student Prince pulled away from a 31-31 halftime tie to edge the Scots to take home a 78-68 Ohio Conference victory Wednesday night. Tom Dinger was again high for Wooster with 24 points, while freshman Jay Langhurst and Rich Thompson each had 12.

1968-69 (57) —als 1-1-0-4, Kenyon 6-4-1-18, Rinks 4-2-0-8, Blevins 4-0-0-8, Thome 3-0-0-8, Thompson 4-1-0-5, Henning 1-0-0-2, Crocken 1-1-0-2, Langhurst 5-1-0-10, Mullhaupt 4-1-0-9, Total 27-4-6-60.

Jayvee score: Wooster 74, Alumc 57.

Head track coach Bob Lafferty has called a meeting for all men interested in the sport for next Wednesday, Dec. 11, at 7:30 in the basements of Mater Hall. Even if you can't drink, order a frosty glass and draw pictures on the side.

Yugoslav Discusses Homeland

Dr. Dragija Perzva spoke on the topic, "Yugoslavia Today," last Tuesday in Matter Auditorium. She works with the Yugoslavian end of a Yugoslavia-American student exchange program. The American representative of the exchange is the GLCA. Dr. Perzva is visiting GLCA colleges to acquaint herself with the people she will work with next summer at the University in Novi Sad.

English is Dr. Perzva's special interest. She teaches the History of the English language in Yugoslavia. On a map of her country, she pointed to her home, Novi Sad, where she teaches, in Serbia, (one of the seven states of Yugoslavia). She spoke of language differences, nationalities and the Communist Party in Yugoslavia. There is no single language spoken and there is no attempt to unify the country to one language.

"The Yugoslavs," said Dr. Perzva, "understand the Communist Party to be primarily a Yugoslav Party and secondarily a Communist Party."

The seminar has been representant.

Freshman Debaters Add Another ‘First’

The Freshman Debate Team added another honor to their already impressive list this season by winning the first place trophy in the Class “A” Novice Division of the Northern Ohio Forensic Conference held Nov. 23 at the University of Akron.

The Wooster affirmative representatives were David Earley and David Berkeley while the negative duo was composed of Tom Fitt and John Arnold. Arnold was named the outstanding speaker of the tournament.
