This Book is brought to you for free and open access by the "The Voice" Student Newspaper Collection at Open Works, a service of The College of Wooster Libraries. It has been accepted for inclusion in The Voice: 1941-1950 by an authorized administrator of Open Works. For more information, please contact openworks@wooster.edu.
Strait Lead's "Charley's Aunt" Cast, Still Chosen for Villain's Role

Announcing the cast for the Victorian farce Charley's Aunt. Mr. Craig of the Budget Committee, Brooklyn, N.Y. for the leading role of Lord Fancourt. Accompanying the veteran is the Thoroughbred actor, will be Ed Snell as Stephen Spurgeon, Joe Bishop for Sir Francis Chenevert, Bill Vogt for Charles Ham; Dick Kinsler as Bennett; and Bruce Kanaim as the Farmer.

Big Four Shows Definite Drive. Event Apollo 48

The Big Four Show driving forces have decided to open as April 30, 1948, is nearing its final touches. A correct estimate of $6,250. Collections totaling over $30,000 for the Apollo 48 with the gross taking the cash total to $7,500.15.

Wall, Corsoni, chairmanship has been pointed out, however, that the present balance standings are $12,000 too much for this amount of money. It is expected that the rest of the money will be collected from members of the corporation.

Bill Watkins, president of the Big Four, declared that under the present circumstances, the Big Four can lay a tax which would have to be increased now to cover the new tax. It is expected that the government will be required to reimburse the Big Four Fund with Big Four and directors for their expenses.

There will be an all-day serenade at the closing two days, may bring the money in to the Saturday new. April 29, 10-11:30, Tuesday evening.

John Cooper is leading First Night in the Ranger Song, the old familiar, One of the new songs, Miss Mischisch, will match and present "Steal A Pigeon" at night. Down in the Old College Orchard, and Fob for the "Radar Drive."

Choral Tier, led byopsy Mc- Daid, will present "Shall Never Forget" Away Wings and Fangled, "Shall Never Forget," has only two of its possible three songs to show, the third song, "Day and Day," they will be led by the Audubon Club. A new song to be sung also will be for the "Day and Day," sung by Audubon Club and Dick and Dazy Eyes.

Bob Zimmerman will lead Sing in the Evening, "Our Country's songs," through the Eye, and Fangled song, "Old Country's songs," which will be sung by his grand group of songs, to be directed in the evening. The "Singers," the conclusion of the evening, will be sung by the "Spirit of the Evening."

Through underground Lewis is now in "Simplicity," Eight songs will sing and have sung for the "Simplicity," "Our Country's songs," will be sung by the "Simplicity," and "Our Country's songs," will be sung by the "Simplicity."

The position of Maid of Honor will be taken by Jane Goldswold, who was run-up in the May Queen election.

Incaugurations for '45 Leaders Under Way As Sections Elect

Seven of the nine sections on campus have elected new officers within the last few weeks to guide them through their coming classes elections and summer vacation next week.

Beginning their elections following spring vacation, Second and Third Sections have elected their new officers for the first time. The remainder of the new officers of the sections are within the next week.

The present council of officers is:

SECOND: John Vogt, president; Bob Wight, vice president; Bob Baker, treasurer; Paul McMillen, secretary; and Fos McPherson, sergeant-at-arms.

THIRD: Jack Curry, president; John Corson, treasurer; and Bob Lawter, secretary.

FOURTH: Thomas VanGorden, president; Bob Sunn, vice president; Al Stidolph, social chairman; Bob Hiller, treasurer; and Neil Veitch, secretary.

FIFTH: Larry VanAlleng, president; Jack Jones, vice president; and Larry VanAlleng, secretary.

SIXTH: Roy Conrad, president;
Implement 'Point 4' Program
Based on a policy of 'consent of communities' the background of the United Nations is being extended to include the people of different countries. In this direction through the Truman Doctrine, the Marshall Plan, and the United Nations, the programs have been launched to this further end in the underdeveloped and backward regions of the world.

Present as the "Point Four" program, the plan was first made public by President Truman in 1949. It was for making such a program for the benefit of our scientific and industrial advancement and progress of the United Nations. Steps are being taken to implement this policy in the State Department and the Economic and Social Council of the United Nations.

soon defined to exclude Isreal, however, the plan will include technical and financial assistance to Latin America, the Middle East, Asia, China, India, Indonesia, and parts of New Zealand and Australia. In the face of economic disturbances, the plan aims at bringing about stability on which the economic development process which will allow these countries to improve agriculture, public health, industrial, and consequently the living standards of the people.

Much of the work toward this end will be performed by existing agencies of the United Nations. Technical assistance to Latin American countries will be further developed by the International Labor Organization and the Education, Social and Cultural Organization. Technical training of these areas will be increased to teach these nations the methods of improving agricultural products, educational facilities, public health, industrial and the use of natural resources. Budget increases are planned for these agencies for the express purpose of performing these duties.

Unfolding to the entire industrial development of backward areas of the United States inquests into the investment capital be raised by the recipient countries to help support their economic needs. For example, the tenant farmer can receive aid from the government and industries receiving financial aid. Guarantees must be made that American investments and American aid will be given in such a way that the profits will be convertible to American dollars. Conversely, re- ceipt of these funds would require a commitment of essential foreign aid in domestic or foreign aid, or engage in the ill-legal "dollar imperialism." In entire, the Point Four program poses vast possibility of economic assistance to millions of backward people who now struggle against famine and poverty. And also, in the very thorough manner, the United Nations is indirectly responsible for the economic prosecution of this area. Therefore, the entire program to the economic assistance of the Point Four program to aid backward areas will depend on the good will and the duration of the Russian threat to dominate the world.

Student Senate Procedure
Democracy in student government has long been a question subject to intense and extensive discussion. In general, it has been felt that student government can participate insufficiently in the functions of student government.

Last summer a proposal was passed which was composed by the Student Senate, sponsored by Student Senate, and concerned the Student Senate and the Student Senate. However, they are now taking this proposal. It satisfied student activists against the control of the Student Senate and the Student Senate. However, it is required to(3) the latter part of the direct to the students for their ratification.

The question of representation is the larger issue which is raised by the Student Senate and the Activities Report for the proposal. The Senate has in the past made an effort to call for student races and the Senate, and the Senate, and the Senate, and the Senate, and the Senate, and the Senate, and the Senate, and the Senate, and the Senate. The Senate has in the past made an effort to call for student races and the Senate, and the Senate, and the Senate, and the Senate, and the Senate, and the Senate, and the Senate, and the Senate, and the Senate.

The size, Student Senate presents unique opportunities for complete democracy and actual representation in open areas of the entire student body. If we seek genuine democracy in student affairs, would not be consistent to give the student body the power to express itself on major issues which affect the lives of members. The Senate has in the past made an effort to call for student races and the Senate, and the Senate, and the Senate, and the Senate, and the Senate, and the Senate, and the Senate, and the Senate, and the Senate.

In summary, Student Senate presents unique opportunities for complete democracy and actual representation in open areas of the entire student body.

Intramural Volleyball Season Ends Tonight; Fifth, Second, On Top in Kenesaw League

by John Bergen

At 7:15 clock tonight Second Section and Fifth Section will tangle for the intramural volleyball championship in the Kenesaw League. The sides worked out so that only one of two unbeaten teams happen to be pitted against each other on this final evening. In the Troy Lee League the Stadium Vets need a win over the Taylor Vets to assure of the title.

Tuesday, Fifth emerged victorious over Eighth's third place finisher 7-3, 8-15, 15-10. After Second had stopped Seventh 15-15, 15-14. One week ago Fifth stopped Seventh 16-16, 15-4, while Second squared through to a win over Fourth 15-10, 15-11, 15-14.

Eight managed to hold on to its position by holding against a third last week 15-11, 15-10, 11-15. Fifth emerged victorious last week 19-15, 25-15, 15-11; The Vets continued unstruck. Turner's two points to the 15-12, 15-10.

Scotland Drop Two; Travenou Kenyon

Trensay Kenyon was out of the running Friday, but after afternoon, Wooster dropped a heartbreaking decision to a powerful Kent State squad, 15-11, 15-12. Tom of our points were racked up by John Goss, the Kent State's most consistent, Earl Shaw and Frank Vaughan.

Teams of both groups were general high as a result of a wet season. Loren George of Kent fed at the 7:00 in both halves, while George and Wilson played the frame by throwing out a point.

Kent Saters

With the Denison game cancelled, and the Fraze game postponed until May 31, the hopes hope to open against Kent State this Saturday. The visitors, under the new coach, Kent Back, will have two games under their belts and their lineup seems well set.

Three standouts in their lineup are Co-captain Jim Goll, who by his fifth game of the season, will have discovered and flown free. Coley's expertise in the position has been invaluable. Bobby Buhl, a clean hitter, and Derick, who is a good back with little indication of the error which could have been made since. Kenny Boll, in a rare four-spot, maintains his strength in the lineup position. Dick Evans has played short field for years, but was unable to use his speed in the garden.

Fifth Sec. against the freshmen and sophomore teams. It has been 10-10...:'..::.:

Forfeit

The outfields it was up with Dick Sandyly playing one of the positions and Ken Marosky at first base. Goll has shown up well in the past in games and was expected to do well today. Competition for the third pins was wide open with the left-handed candidates seeking a spot in the opening lineup.

Jim Kennedy, a two-year veteran, wants to return his centerfield job, and Rio, who identified himself in the opening game is back with little indication of the error which could have been made since. Kenny Boll, in a rare four-spot, maintains his strength in the lineup position. Dick Evans has played short field for years, but was unable to use his speed in the garden.

'Keep Local Board Informed' is Selective Service Admonition

All Selective Service registrants must keep their local boards informed as to their whereabouts — after they become 25 as well as before. Director C. W. Goble of the Ohio Selective Service has announced:

"Departure from the country does not relieve registrants from Selective Service obligations," Director Goble said. "even though Selective Service is involving no men at the present time."

In order to comply with the law and be able to travel with a free mind, Director Goble said registrants leaving the United States should report the following information to their local boards, within twenty days of departure, as applicable, anyway, and expiring date of service.

If he becomes 18 years of age during the ten, the Selective Service Law requires that he register at a convenient local board office within five days of the date of his return to the country.

While he did not indicate to it any widespread intent to violate the law, Director Goble declared that the habit in indulging had caused unnecessary standing in the minds of some registrants as to what legal obligations.

"Men cannot be induced to leave their country after they reach 25 under the Selective Service Act, but that does mean they are released from obligations to keep their local boards informed as to where they may be reached by mail."

Fare Hollow Scene Of "Y" Conclave

Delegates from both YMCAs and YWCA's from around the country were in the midst of a busy week of meetings and activities. The meeting opened with a keynote address by Dr. Robert Wooden, president of Wooster's department of religion, a keynote speaker for the weeklong, the theme of "Christian Leadership: Making or Reflecting?" Dr. Wooden will deliver three addresses as well as his keynote address: "Climbing the Gilded Ladder: And The Shadow Beyond." The addresses will be on the theme of leadership and will be presented at the three Y's throughout the week.

The main event of the week will be the annual YMCA-YWCA convention held in the all-woman Wooster upper level hotel.

Win Your Wings and then Start a Career with a future...

College men are today's moderns of the U.S. Air Force. With new and complex aircraft and equipment being developed, scientific research becomes more and more important, increasing the need for college-trained men.

As a college graduate you will have an unlimited future in aviation fields of personnel management, operations, material, supply, research and development.

If you are a college graduate, you are eligible and if you meet the standards of scholarship and character you will receive your appointment and be commissioned as a Second Lieutenant in the U.S. Air Force with all the privileges of a college man who goes to college to study.

You May Be Accepted for an Early U. S. Air Force Aviation Cadet Training Class

If you are a college graduate, you may be accepted for early U. S. Air Force Aviation Cadet Training Class starting in early summer or late fall.

You will get a well-planned course, valued at $35,000.00, this includes about 275 hours of flying time, and the finest aviation education and executive training in the world.

The U. S. Air Force Aviation Cadet Training Class is designed to train college men for the U. S. Air Force in the Texas for the world's finest aviation training. Here you will receive about 175 hours of flying training in the T-6 trainer plus an extensive course in aviation education and executive training. Navigation, flight, weather, radio and radar are covered in detail.

During this training period you will find plenty of hard, fast action to keep you fit and trim, the best athletic facilities are available. Upon completion of training, you will receive your wings and the finest aviation education and executive training in the world.
