WHO ARE WE?

The Anti-Racist Collective is a diverse group of students around the campus of Wooster. Collectively, we want to annihilate all forms of racism, discrimination, and stereotypes that happen on campus. Throughout the school year, we will be distributing information via posters, zines, and other forms of literature.

Dear reader,

Do the following in order to make these next four years a bit smoother:

UNDERSTAND YOUR PRIVILEGES. END WHITE SUPREMACY. STOP GLORIFYING CORRUPT POLITICIANS. LEARN THAT LIBERALISM IS A PREVAILING IDEOLOGY OF THE BOURGEOISE. DONATE AND GIVE TIME TO ORGANIZATIONS THAT ARE DEEPLY ROOTED IN WANTING TO HELP OTHERS. ENGAGE IN TRUE SOLIDARITY AND NOT ALLY THEATRE. DO NOT SAY #BLACKLIVESMATTER IF YOU DO NOT TRULY BELIEVE THAT THEY DO. END ALL OPPRESSIVE LANGUAGE. STOP USING ABLEIST LANGUAGE. STOP WITH THE "I HAVE FRIENDS THAT ARE..." TO JUSTIFY OR MAKE EXCUSES FOR SOMETHING GROSS THAT YOU STATED. STOP BEING RACIST. WORK WITH YOURSELF ON NOT BEING INTERNALLY RACIST. STOP USING SLURS THAT HARM OTHERS. STOP COMPARING OPPRESSIONS. @ WHITE FOLKS: STOP TRYING TO BE OPPRESSED AND LEARN THAT REVERSE RACISM IS NOT A THING, BUT REVERSE DISCRIMINATION IS REAL. STOP CULTURAL APPROPRIATION. STOP WHITEWASHING THINGS. LISTEN WHEN FOLKS ARE SPEAKING ABOUT THEIR EXPERIENCES. PROTEST. STAND UP FOR THOSE WHO MIGHT NOT BE ABLE TO DO FOR THEMSELVES IN THE MOMENT. DITCH WHITE FEMINISM AND BECOME INTERSECTIONAL. EDUCATE YOURSELF. DO NOT ENGAGE IN EMOTIONAL LABOR IN EXCESSIVE AMOUNTS. RESPECT DIFFERENT EXPRESSIONS OF ACTIVIST VOICES. END FATPHOBIA. ERADICATE COLORISM. STOP DEHUMANIZING OTHERS. ENGAGE IN SELF CARE. STOP GASLIGHTING. IF YOU ARE DEALING WITH A MENTAL ILLNESS, DO NOT USE IT AS AN EXCUSE TO HURT OTHERS, BE TOXIC, OR THINK IT PARDONS YOUR NEGATIVE BEHAVIOR. LEARN ABOUT HOW SLAVERY HAS MANIFESTED ITSELF WITHIN THE 21ST CENTURY. REMEMBER THAT PRIVILEGE IS NEVER HAVING TO THINK ABOUT IT. STOP MARGINALIZING OTHERS. STOP ASSUMPTIONS. STOP MICRO AND MACRO AGGRESSIONS. STOP THE IMPOSTOR SYNDROME. BE INCLUSIVE. BOYCOTT BUSINESSES THAT USE PRISON LABOR. DESTROY GENDER ROLES. UNDERSTAND CLASSISM IN ACTIVIST COMMUNITIES. KNOW ALL ABOUT THE BIG SOCIAL CONSTRUCTS SUCH AS GENDER AND RACE. DO NOT OVERSPEAK MARGINALIZED VOICES. STOP GENTRIFICATION BECAUSE IT IS THE NEW FORM OF COLONIALISM. MAKE AMERICA WHAT IT MUST BECOME. + MORE

CAN'T EVEN

**"When Mexico sends its people, they're not sending their best...
They're bringing drugs. They're bringing crime. They're rapists.
And some, I assume, are good people."**

-Donald J. Trump, June 16, 2015.

QUOTES BY THE DONALD

"An 'extremely credible source' has called my office and told me that Barack Obama's birth certificate is a fraud"

"I will build a great wall - and nobody builds walls better than me, believe me - and I'll build them very inexpensively. I will build a great, great wall on our southern border, and I will make Mexico pay for that wall. Mark my words."

"Our great African-American President hasn't exactly had a positive impact on the thugs who are so happily and openly destroying Baltimore."

"The beauty of me is that I'm very rich."

Title: News from the front lines of
the War on Christmas
By: Caren Holmes

The annual war on Christmas has come and gone. This year Christmas took on new and unusual threats. The conflict was initiated by a preemptive show of defensive force on the part of the Christmas Defensive Front (CDF). The militant group had been setting the groundwork for their Black Friday invasion since early November, occupying isles in department stores long before Thanksgiving. Their proponents came out in droves to defend the sanctity of the birth of their lord and savior, a historical advocate of capitalism, by purchasing flat screen TVs and verbally harassing minimum wage workers. The CDF advanced significantly in the days following. Their propaganda campaigns settled on secular street lamps and suburban front yards. Individuals could be observed in transit displaying openly their pro-Christmas garb.

The Jews responded with a weak show of force occupying a small section of isle four with blue and white replicas of Christmas defense artillery. The remote location of traditional draddle piñatas within local Walgreens illustrates the great gains on the part on the CDF aim at suppressing Jewish winter holiday propaganda.

Blacks, while welcomed to participate in traditional white Christmas festivities, were again warned against attempting to co-opt the racial purity of the divine holiday. To shed light on these issues, brilliant protector of white Santa and CDF careerist, Megyn Kelly explained that black Santas are confusing and historically inaccurate

representations of a mythical figure. Black Santa impersonators will not tolerated under CDF administration standards ensuring anatomically accurate depictions of a man who, according to reputable online sources, is approximately 1,700 years of age. CDF fighters join the cause, vowing on twitter to "Make Santa White Again."

While the CDF is forced to contend with one last holiday season under the dictatorship of "happy holidays" supporter and suspected Muslim Barack HUSSAIN Obama, they are hopeful that a Trump presidency will liberate white CDF supporters who recognize Santa as a leading white nationalist. It's no coincidence that he makes his rounds almost exclusively in white Anglo-conformist societies.

This year's war on Christmas was another long fought battle. Child laborers producing cheap weaponry for the defensive will go down as martyrs, not by the CDF, but perhaps by some other group that has time to be socially conscious during this holiday season. This is a small price to pay for blow up lawn ordainments, literally, the prices are so low, you'll want to buy two!

While the future of Christmas remains unclear, the necessity to suppress the increased popularity of Kwanza book exchanges and "interfaith holiday bushes" is evidence of American religious decay. The CDF prays that you and your family remain safe during the ongoing war, and that all your Christmases be white.

*This was supposed to be produced in December of 2016, but things happened.

1 ACT

Do something. In the face of hatred, apathy will be interpreted as acceptance — by the perpetrators, the public and, worse, the victims. Decent people must take action; if we don't, hate persists. **page 6**

2 UNITE

Call a friend or co-worker. Organize allies from churches, schools, clubs and other civic groups. Create a diverse coalition. Include children, police and the media. Gather ideas from everyone, and get everyone involved. **page 8**

3 SUPPORT THE VICTIMS

SURVIVORS

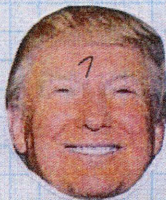

Hate-crime victims are especially vulnerable, fearful and alone. If you're a victim, report every incident — in detail — and ask for help. If you learn about a hate-crime victim in your community, show support. Let victims know you care. Surround them with comfort and protection. **page 10**

4 DO YOUR HOMEWORK

An informed campaign improves its effectiveness. Determine if a hate group is involved, and research its symbols and agenda. Understand the difference between a hate crime and a bias incident. **page 12**

5 CREATE AN ALTERNATIVE

Do not attend a hate rally. Find another outlet for anger and frustration and for people's desire to do something. Hold a unity rally or parade to draw media attention away from hate. **page 14**

6 SPEAK UP

Hate must be exposed and denounced. Help news organizations achieve balance and depth. Do not debate hate-group members in conflict-driven forums. Instead, speak up in ways that draw attention away from hate, toward unity. **page 16**

7 LOBBY LEADERS

Elected officials and other community leaders can be important allies in the fight against hate. But some must overcome reluctance — and others, their own biases — before they're able to take a stand. **page 18**

8 LOOK LONG RANGE

Promote tolerance and address bias before another hate crime can occur. Expand your community's comfort zones so you can learn and live together. **page 20**

9 TEACH TOLERANCE

Bias is learned early, usually at home. Schools can offer lessons of tolerance and acceptance. Sponsor an "I Have a Dream" contest. Reach out to young people who may be susceptible to hate-group propaganda and prejudice. **page 22**

10 DIG DEEPER

Look inside yourself for prejudices and stereotypes. Build your own cultural competency, then keep working to expose discrimination wherever it happens — in housing, employment, education and more. **page 24**

THERE IS DEBATE OVER TEACHING TOLERANCE AND USING THE TERM VICTIM. I AM NOT WELL-VERSED ENOUGH TO GIVE A FINAL SAY ON SUCH TOPICS. IF YOU KNOW, PLEASE CONTACT ME:
