**Section 2: Compton Geneology**  
(compiled by Helen K. Chase)

In Celebration of the 100th Anniversary, August 1997, of the first  
summer of the Elias & Otelia Compton family at Otsego Lake,  
Michigan (1897-1997)

## INTRODUCTION TO THE COMPTON GENEALOGY

The first part of this genealogy includes all the generations deriving from Elias Compton and Otelia Augspurger Compton. The second part includes the generations from which Elias and Otelia themselves derive. Part three is a current listing of all the cousins' addresses.

One of the most meaningful efforts that has been made in recent years for the entire Elias Compton family was made by Helen Case Compton Graham, when about 15 years ago she made for all the cousins the compilation of the Family Leaves of the Elias Compton Family. The Leaves have been an invaluable resource through the years and each cousin has a set.

Helen Kelsey Chase has upgraded the Leaves collection to accompany the History of the Elias Compton Family for the centennial celebration being held at Otsego Lake, Michigan, the weekend of August 8-10, 1997. She has had the good and particular help of several cousins, especially Lisa Bellocchio, who provided basic information relating to the generations prior to Elias Compton and Otelia Augspurger Compton.

The genealogy has been brought forward to encompass all new Compton descendants, and has been updated backward to the beginning of the Compton family in America, with the arrival of William Compton from England in 1654 at Graves End, Long Island, in New York State. Some cousins who also have genealogical information will notice that some dates and places relating to previous generations may be different. If you have questions about why the information differs, please ask Helen Chase.

During the process of collection and verification of information, Helen Chase has been in touch with just about everyone. Because she has everyone's addresses and telephone numbers, she has included them for your use.

A postcard has been enclosed with each copy; please mail it back to Helen Chase with any corrections of errors that you find after the fact. Once she has collected any errors, she will send out an errata sheet to each recipient of a copy of the history.
