FRESHMAN DIRECTORY

2018
September 23, 1948

To the Members of the Class of 1952:

You have already been welcomed many times, and I have had my own opportunity to join in the salute to your arrival. But putting our greeting on paper may make it official.

You are a picked lot. The College has opened its doors to you because it believes you can receive what it has to give and because it thinks you have something to give us. In that mutual exchange may we have fair days ahead in every phase of your college life. And may the campus be a place where your own wide variety of interests and talents will have congenial development.

I want to thank the students who have produced this booklet. It should greatly speed our knowing you and your knowing one another. Your whole story is not yet written in your faces. That will come. But the first chapters we like a lot.

I speak for all of us in wishing you well as you begin your life on the Hill.

Cordially yours,

Howard Lowry
President
