Dear mother, monday after lunch.

your card came this morning so I'll send this - special maybe so you can get it off soon - the skirt I mean. you see the play is Sunday evening so I must have the skirt by Saturday at the latest - Sat. we have a dress rehearsal.

I think it would be wise to put it on a silk waister because I'll be wearing it with silk blouses I hope - altho not for the play here. I happen

to have the leading part in the play.  
It's a darling part. Ark Remy is in love  
with me and its hard to keep a  
straight face when he talks to me  
the way he does (He sits on the arm  
of my chair). It's a darling missionary  
play. - and I have the longest part  
- and have it all learned. -

However for the play I'm wearing a  
white short sleeved slip on sweater with  
the pink skirt. It's to be a tennis outfit  
effect. -

Perhaps some time I can have  
a white pink blouse to go with it.

Am wearing my dresses short -  
but believe that to Eastern knees - and  
no longer would be alright. Not  
any longer than that tho.

Received back my Hist. exam and  
got a "B." in it - At the end of the  
paper he wrote:

"This is a good paper" - Horah!  
I think I'll major in History. When  
I answered a question about "Why the  
people turned against Chas. II" - In  
answering it I outwitted him - as

typical of one of the Shuart kungs. and  
of course that was a little more than he  
asked - but he wrote at the end of that  
"A very interesting attack on the Shuarts" -

- don't forget Enhe is larger around  
the waist than I am. - Will  
look for the shirt in the mail unless  
I get word from you. The play is  
next Sun. March 28. - Are you  
all coming to rooster. Ahem!

Lovingly.

Tell Fred to answer soon. I must know.

Doc wants to  
get his room  
before  
vacation.
