Dear mother.

I am going to try and write you on Wednesdays and Daddy on Sundays once a week.

We are not quite settled yet. Our room so far is beautiful. We couldn't think of anything else to add to its charm. Everything matches. Our rugs (6) are ordered but not yet here. They

are in rose and blue and white  
Everyone thinks ours is the  
best in the class. My course  
is stiff but I think I will like  
every bit of it - Taking 15 credits  
credits (no Sat. class)

5	Greek (?)	5	times a week
4	Applied Chem.	3	" "
3	English	3	" "
2	O.T. Books.	2	" "
1	Gym work	2	" "

Greek will keep me busy most  
of my time. It is hard but  
there is no excuse for not  
making good in it if I work  
hard. It's not like math which  
is always so difficult for me to reason  
I'll do my best. I won't drop  
anything or be failed. Yesterday  
I had classes all morning yesterday  
Today - only Greek.  
Why?

I love college as I knew  
I would. I'm surprised I  
love to study as I've found I  
do. If I only had some  
of Dad's brains I could be

an a scholar - but  
I can't. If you ever  
have another child tell  
Pops to distribute more  
of his brains - Ha!

Rec'd check from Dad  
& from Mils. bank. Will  
open a checking acct here.

It's impossible to  
route everything so  
I'll have to just talk  
& talk when I come  
home Christmas.

Love to you and all  
your daughter  
Beau.
