Wednesday Note

every  
fall

It's been raining and storming and the lights are out - and Boots and I are writing home by candle light. My - we are so happy.

Our room is getting fixed up by degrees. So far we have 13 pictures on our wall besides 4 framed pictures of our family. We have about that many more little notes etc. to put up. Our pillows look so nice. We have our football blankets over my cedar chest & the "vic" over that.

Telegram from Luella  
today. My dress is done but  
she lost my address. - There  
was a telegram

"Dress ready your address  
lost. send it. Do not laugh"

I wired back

"Address eleven thirty five  
P.O. we receive. Love Thanks"  
Marie Marie

Ha! Ha! I suppose  
she'll send it special - so  
I'll have it to wear Sat. Nite  
Mary has a new taffeta (white)  
formal. - she says to tell  
you that it is only costing  
her \$12.46 + a special delivery  
stamp.

I hope those curtains  
hurry up - makes all the difference  
in the world in our room.  
Think we will have to have a  
study lamp in our room  
is going to look lovely.

Wish these lights  
would come on.

We're happy! - -
