MY SINCERE THANKS TO:

Advertising manager	Jeff Kachmar
Financier	Student Government Association
Lay-out assistants	Fritz Cropp, Lyle Hanna
Legal Authority	Dwight Moore
Material co-ordinators	Admissions Office Staff
Photography	College News Service
Publisher	Crite-Watson

My special thanks goes out to the Cropp family for their generosity, encouragement, and use of their home as my office; to R. Corbin, L. Mullen, and V. Oyer for all their time and effort, and Jeff Kachmar for all his ground work before my arrival in Wooster.

The College of Wooster does not discriminate on the basis of sex, race, nationality, ethnic origin, or religion in admission of students, or their participation in educational programs or activities provided by the College, or in employment.

with detailed reports regarding these requests and the financial picture of the S.S.A.

The Student Government Association

The Student Government Association is the formal assembly of the student body at The College of Wooster. The S.G.A. performs a variety of services in the areas of student concerns. The General Assembly, the S.G.A.'s legislative branch, consists of elected representatives from all the campus living units. The G.A. allocates the S.G.A.'s budget, makes recommendations on college-oriented issues, and works directly with other organizations and college personnel in pursuing student interests.

The S.G.A. Cabiner consists of the S.G.A. officers and the student representatives on Campus Council. It serves in an executive capacity, facilitating planning and providing direction for the S.G.A.

The S.G.A. bears a great responsibility in providing students' views in the decision-making of the various faculty committees. Each year, the G.A. approves appointments of students to positions on these committees, which include the Library Committee, Academic Standards Committee, Athletic Committee, ect. Probably the most interesting committee is the Educational Policy Committee, whose membership of faculty, administrators, and students make decisions on course offerings, academic policies, and regulations. All students are invited to indicate their interest in serving on one of these committees in the fall of the year.

The S.G.A. publishes a bi-weekly newspaper, Potpourri. The daily news, ads, and trivia sheet keeps the campus up-to-date on college events. The paper is put out in conjunction with the Lowry Center Board.

Committee work is perhaps the most vital business of the S.G.A.

The Social Affairs Committee deals with topics ranging from the availability of student study areas on campus to relations between students and faculty and staff. Current projects include working for greater student input in the hiring and firing of faculty members.

The Financial Affairs Committee works specifically with the S.G.A. budget and appropriations of money. The committee handles all funding requests made by other student organizations and provides the General Assembly with detailed reports regarding these requests and the financial picture of the S.G.A.

The Student Services and Special Projects Committee provides a variety of services including student storage and buses to the Cleveland Airport at the beginning and end of each quarter. The committee also handles elections and various research projects requested by the G.A. The S.S.S.P. committee has recently compiled an information booklet about the campus and organizations which it gave out to all students.

Committee work is not limited to G.A. representatives; all students are encouraged to become involved in S.G.A. through committee work. Students are also invited to attend General Assembly meetings, and are encouraged to participate in meetings actively.
