HELLO!

Welcome to Wooster, New People! Of all the junk mail you will receive the next few days, The New People may prove to be the most valuable item, because it is YOU! You’ll be seeing lots of new faces around campus that you might want to search for in the New People Directory.

One way to start off on the right foot is to get to know your classmates. Your first contacts at Wooster often result in life-long friendships. The New People Directory is designed to be a starting point from which you’ll meeting exciting people and share in a number of experiences which will be challenging, enlightening, and even fun!

We’d like to thank you all for your great response to our request for your pictures. Communication is a necessity at Wooster, and also a basis for friendship. We hope this issue of the New People is fun to look at, in addition to being informative of Wooster’s extra curricular activities which enrich the necessary academics.

We hope that, like the two of us, you’ll discover the extra plus that makes Wooster so special — it’s people! Come join us in what some have called a journey of risk and commitment. Have a great first year at Wooster.

See you soon,

THE STUDENT GOVERNMENT ASSOCIATION

The Student Government Association is the formal assembly of the student body, and serves as the vital link between the students and other elements of the campus community. The SGA provides an outlet for the expression of student opinion, and a place to make constructive change on the campus.

The General Assembly, the SGA's legislative branch, consists of representatives elected from each campus living unit. The General Assembly allocates money to campus groups, makes recommendations on college issues, and works directly with other elements of the campus community in pursuing student interests.

Topics currently under discussion in the General Assembly include: developing a student discount buying program with Wooster merchants, obtaining a 24-hr. visitation policy within the residential units, developing a student book-coop, and looking into the development of non-program coed housing.

Also, each year the General Assembly approves appointments of students to decision-making faculty committees, trustee committees, the college Judicial Board, and the editors of "Potpourri", a twice-weekly student information sheet, published jointly with the Student Activities Board.

Mike Petrella is the President of the SGA. Carol Rowan serves as Vice-president, Deb Buettner as Secretary, and Carol Surbey as Treasurer.

Committee work is the heart of the Student Government Association.

The Educational Affairs Committee, chaired by Carol Rowan, consists of students appointed to the various faculty committees. The EAC discusses current proposals before the various faculty committees. Currently, the committee is working with the Educational Policy Committee in the development of a new curriculum.

The Financial Affairs Committee, chaired by Cindy Clark, works specifically with the SGA budget. The committee analyzes all organization fund requests and makes recommendations on them, in addition to providing detailed financial reports on the status of the SGA.

The Social Affairs Committee, chaired by Beth Farnsworth, deal with student-faculty-administrative concerns and other related topics. Currently, the committee is finalizing a report on the use of alcohol on campus, and looking into ways of improving student-faculty relations.

The Student Services and Special Projects Committee, chaired by John White, provides a variety of services including the storage of student possessions and buses to the Cleveland Airport at the beginning and end of each quarter. The committee also handles research projects and campus elections.

Any student may serve on an SGA committee: it is not limited to elected SGA representatives. All students are invited to attend and participate in General Assembly meetings.

For more information, please contact Mike Petrella.
A Student Activities Board might be hard to comprehend. There really isn’t anything comparable to it in high school and it is unique to the college campus. Basically, we are responsible for much of the activity outside of the classroom. Since the college is a community, there are certain needs that need to be fulfilled. To do that, the Board is divided into approximately 12 committees. Each committee is responsible for a specific area of programming. For example: skiing, crafts, films, and speakers. The committee has a chairperson and anywhere from 2 to 25 members. The more input the better the program.

In addition, SAB manages two business. The Cage, is our campus “night-spot,” or student operated bar. The bands, players, etc. are coordinated through a student, Karen Mills and the facilities run by Craig Lindsay. If you are interested in either area contact them.

We also run the record co-op, which is located across from Mom’s Truck Stop. We special order any record in any current catalogue for about $2 less than retail. In addition, the co-op provides a place to sell your used records without commission. Contact either Artie Kropp or Bill Daywalt for further information.

What the Student Activities Board needs is student involvement. Come into our office located on the hallway to the right of Mom’s Truck Stop. Talk to us and become a part of us. Our phone extension is #570 or #378.

CAMPUS COUNCIL

Campus Council is a decision-making body made up of students, faculty, and administrators. Council includes nine students, three faculty representatives, and three administrators.

Campus Council has the power to legislate in areas of student life and to make recommendations to the President of the College, the Board of Trustees, the faculty, or any campus group or committee. Council also allocates money to the campus as a forum for all members of the College community to express and debate ideas. Council meets weekly, and members of the College community are invited to attend and participate.

For further information, contact any of Council’s student members: Mike Petrella (SGA President), Carol Rowan (SGA Vice-president), Cindy Clark (FAC Chairperson), Beth Farnsworth (SAC Chairperson), John White (SS & SP Chairperson), Artie Kropp (SAB Chairperson), or Council members-at-large Nancy Duncan, Blake Moore and Irene Korsac. Campus Council Treasurer is Mark Lyle and Secretary is Peg Weisbrod. Members of Dean Staff and Faculty are: Hans Jenny, Ken Plusquellec, Bill Baird, Pat Brown, Ken Goings, and Dave Fenema.

JUDICIAL BOARD

The Judicial Board is a panel of students, faculty, and administrative officials who are responsible for hearing cases dealing with violations of either the Code of Conduct or the Code of Academic Integrity. Cases are referred to the Judicial Board by the Dean’s staff, Hall Councils, faculty, or by a student’s petition to the chairperson. Cases are then referred to a hearing counselor if the charge is a violation of the Code of Conduct or a student referee if the charge is a violation of the Code of Academic Integrity. A hearing is held and the Board decides upon guilt or innocence and what penalties, if any, will be levied.

Student membership is determined by the Student Government Association. There are eight openings for members with two non-voting hearing counselors and two non-voting referees.

For further information on the Judicial Board contact: Hans Jenny, Ken Plusquellec, Bill Baird, Pat Brown, Ken Goings, or Dave Fenema.

INDEX

The Index, Wooster's yearbook, is published each fall, covering the events of the previous year. Focusing on all College activities and organizations, the Index serves as a creative and entertaining history of the College. The staff welcomes all students interested in assisting with any and all facts of assembling a yearbook. Students interested in copy writing, layout, photography, and advertising sales should speak to 1978-79 Index editor. The Index’s Offices are located in Lowry Center basement, just down the hall from Mom’s Truck Stop.
The Wooster Voice, the official student newspaper of the College, serves both as an outlet for student opinion and creative effort, and as a chance to gain practical experience in journalism.

Published and distributed free each Friday, the Voice offers paid and volunteer positions to all students. Anyone interested in reporting, photography, advertising sales, layout, play, film, or record reviewing, or writing a weekly column is invited to attend our weekly staff meetings, held each Thursday night.

No experience is necessary to become a member of the Wooster Voice staff. We encourage letters to the Editor on any current local or national topic, and print all letters that we receive.

The Voice serves a vital purpose on the College campus - pointing out areas of concern on campus, previewing and publicizing upcoming events, and serving as the primary line of communication between members of the College Community.

You'll enjoy being a part of the Voice staff - come see us at our office in Lowry Center basement (just down the back hall by Mom's Truck Stop) or call editor Doug Pinkham at Extension 218.

WCWS

WCWS is an educational public broadcast station which serves the College of Wooster campus and the surrounding Wayne County area. Located at 92 on the FM dial, WCWS is managed and operated entirely by College of Wooster students. Radio at Wooster should be a practical learning experience, and WCWS offers a wide range of activities in which any student may become involved. Previous broadcast experience is NOT required!

Broadcast opportunities offered by WCWS include newscasting, sportscasting, public affairs programming (which includes interviewing) and various production jobs. WCWS caters to the wide range of student musical tastes — from the Metropolitan Opera to soul, jazz, and rock.

Andy Robertson will serve as general manager of WCWS, overseeing the day-to-day operations of the station. Questions regarding WCWS should be directed to him.

POTPOURRI

Published twice a week by the student Government Association, Potpourri has for ten years been recognized as the unofficial news sheet of the College.

Students wishing to inform each other of meetings, special events, items lost and found, and other information, will soon learn of the value of Potpourri.

All entries should be legibly written or typed, signed, and turned in by the deadline specified in Potpourri's issue.

Editor for 1978-79 is Glenn Kuban.
MEN'S SECTIONS

The College of Wooster has six local fraternities, commonly called “sections”. Wooster's sections differ from national fraternities in two main respects: (1)—they are not affiliated with national organizations, therefore, their dues are less in comparison, and (2) they are subject to the expectations set forth in the College Code of Conduct. Sections differ greatly in size, member attitude, the number and nature of their functions, and the degree of fraternal spirit they possess.

Why join a section? A main appeal of sections is the fellowship or fraternal spirit which they offer. This fellowship is difficult to define, but it is clearly felt by most section men. By living together in a section, and taking part in its activities, the members are able to more fully appreciate the great divergence of personalities among themselves.

Contact Mark Crayton, I.S.C. President, for further information.

WOMEN'S CLUBS

The Women's Clubs at Wooster are local sororities, unaffiliated with any national organizations. The club system is made up of three clubs, where there are about 130 women. A joint governing body called the Inter-Club Council rules the clubs. ICC is responsible for handling inter-club activities and for setting up dates for rush activities and pledging.

Each club serves its purpose by providing women with opportunities that would be difficult for individuals to pursue. Incorporated in their purpose is, of course, the meeting of new people and forming lasting friendships. Club activities have included retreats, parties, popcorn selling at movies, pizza runs, big-little sister programs, and others. Activities involving the clubs as a whole have been the annual Halloween party for Wooster school children, Homecoming decorations, and the ICC formal.

Get to know us, as we get to know you.

Contact Bobbie Emling, ICC President, for further information.

WOOSTER WOMEN'S ALLIANCE

The Wooster Women's Alliance is a cooperative organization of women established by Wooster women for the purpose of meeting, supporting and educating each other. All Wooster women, including women faculty, are considered members of the Alliance.

The Alliance will be sponsoring films, speakers and many special activities directed toward the self-education of women as well as the entire community.

Located in the Lowry Center, the Wooster Women's Resource Center coordinates women's and women-related activities on campus such as speakers, workshops, films, etc. The Center is in the process of building a collection of books, periodicals, and resources that pertain to women or the women's movement in general.
BLACK STUDENTS' ASSOCIATION

The Black Student's Association is a political, educational, and social organization whose main purpose is to maintain and present life from a Black perspective on campus. The group sees the education of the rest of the campus in Black culture as one of its major duties; the other is the fostering of Black interaction on a campus where Blacks are a decided minority.

All Black and Third World members of the College community are automatically members of BSA. Each year, BSA plans educational and social functions during Black History Week in February and Calling of Blackness Week in May. The group has also designed a Big-Brother - Big-Sister program and a special orientation program to help Black freshmen make an easier adjustment to a basically all-white campus. The group tries to maintain all avenues for expression of Black ideas on campus.

For more information, please contact St. Claire Gerald.

SIERRA CLUB

The Sierra Club is concerned with increasing public awareness of environmental problems and taking actions to correct them. The club is loosely affiliated with the National Sierra Club through its Akron chapter, but is independent and requires no dues or national membership. All persons concerned with the environment are welcome to join.

Sierra Club activities include initiating outdoor programs, encouraging conservation, sponsoring environment workshops, and writing letters. The Sierra Club is a young organization and welcomes any and all new ideas.

For more information, contact Martha Fischer, Chris Hein, or Ellen Bruce.

NEWMAN MINISTRY

While Newman Ministry is a Catholic Campus Ministry, it serves all faculty, students, and staff of the College with educational, spiritual, and social activities designed to make Christian awareness more deeply a part of our everyday lives, both on campus and in our service to the world community.

Membership is open to all members of the College community, and an invitation is extended to all to share in Newman Center programs. Informal dinner gatherings are held each Thursday at 5:30 in room 247/248 in Lowry Center.

Newman Ministry plans, this year, opportunities for eucharistic celebration, renewal weekends, noted speakers and entertainers . . . all providing spiritual, educational, and social enrichment.

For more information, please contact Fr. Marquard (264-8822), Sr. Bettina (262-9726), or Kathy Zelek.
WESTMINSTER CHURCH

Westminster Church is an ecumenically-minded Presbyterian Church serving the students of the College. Students join with townspeople of all ages in worship and service to the community and world.

Meeting in McGaw Chapel, the congregation worships at 10:30 Sunday mornings, led by the Rev. Gordon Stewart and the Rev. Cindy Jarvis.

During the rest of the week Westminster is housed in the Westminster Church House (corner of College and Pine) on the South edge of campus. The ministers offices are located there as are a student lounge, Zeitgeist Coffee House, Mackey Hall, and Christian education rooms. The Church House is available for students to study or meet individually or in groups.

WOOSTER CHRISTIAN FELLOWSHIP

Wooster Christian Fellowship is an inter-denominational organization of Christian students who gather regularly for times of worship, singing, and instruction from the Bible. Meetings are held on Friday nights in Westminster Church House lounge at 7:00. Participating students are also involved in small groups for prayer, fellowship, Bible discussion, and campus and community service.

For more information, contact Deb Schwinn or Julie Buda.

CAMPUS GIRL SCOUTS

The Campus Girl Scout program is not a Girl Scout troop, although it does give you fellowship with registered Scouts on campus. It is a national program which gives girls in college a chance to continue their Scout experiences and share their abilities by helping in numerous ways with the local Girl Scout troops. In Wooster, the girls help with a troop for the mentally retarded children at Ida Sue School. They assist Brownie and Junior troops, often on a regular basis, and help with special events such as campouts, hikes and badge work. The amount of time spent is up to the individual — the need is great — the assistance is appreciated. You are registered as an adult scout. It is an excellent way to become acquainted with the local community, as well as with upperclassmen already active.

INTERNATIONAL STUDENTS' ASSOCIATION

The International Students' Association seeks to promote understanding and solidarity among foreign students.

The ISA is an action-oriented group; its effort to arouse interest in international affairs encompasses such activities as panel discussions, symposiums, debates, foreign films, and dinners.

Every foreign student is automatically an ISA member. American students and faculty members are welcome at all meetings and encouraged to participate in all ISA activities.

For further information, please contact Taj Nasereee.
BABCOCK INTERNATIONAL HOUSE

Babcock International House exists to provide a co-ed all-campus center for members of the College community who are interested in foreign languages and international affairs, and to promote the exchange of international interests. Babcock is an internationally oriented student community comprised of foreign students, and American students with international study/travel experience and international interests. Admission is granted on the basis of a written application.

Babcock programs include a weekly Contemporary Issues Forum, slides of foreign lands, movies, nationality dinners, and the yearly Festival of Nations, which this year will highlight an International Weekend. The Festival of Nations coincides with Octoberfest, complete with a torchlight parade and Evening-in-Vienna dance.

For more information, please contact Babcock Director Don Snow.

DOUGLASS HUMANITIES HOUSE

Douglass is a co-ed program dormitory committed to the idea that a sense of unity of human knowledge and actions can be realized through shared reflections on the arts, sciences, and social sciences. It also is interested in providing an environment in which men and women can learn to deal with one another as people and not fall back on sex-role stereotypes. Through programming and the experience of living and working together, we hope to reach these goals.

Applications to live in Douglass are available prior to general room draw. If the student is accepted to live in Douglass, she/he then goes through a separate room draw for just Douglass residents.

Douglass hopes to offer an extensive and diverse series of programs needing the support of all the residents within the dorm. With this support, an exciting range of programs is produced, ranging from fireside chats with professors; through all-campus, non-alcoholic discos; comedy skits and concerts by “local” talent; to panel discussions of current social issues.

HARAMBEE HOUSE

The goal of Harambee House is to strive toward Black Brotherhood and Third World understanding through programs that are educationally, culturally and socially relevant to the entire Wooster community.

The group’s program involves inviting incoming Freshman and transfer students to live with us their first quarter on campus. It provides them with the opportunities to live with upperclassmen and assimilate more quickly into the mainstream of college life.

Harambee House solicits its members from the campus community. As stated above, incoming transfers and Freshmen are also welcome. Regular membership is open to all male Black and Third World students.

Meetings are held every other Tuesday night at 10:30 p.m. They are open meetings unless otherwise designated.
The women of Culbertson House will work closely with the Wayne County Children's Home.

CULBERTSON HOUSE

Culbertson House

MYERS HOUSE

Myers House serves the College community, primarily students, by promoting personal and interpersonal growth and awareness. Myers is a co-ed house located at the corner of College and Pine Streets, with both a live-in and out-of-house staff. One of its primary goals is to produce vital programs which are informative, stimulating and dynamic, dealing with personal growth, values clarification, self-assertiveness, sexuality, contraceptives, alcohol and drugs.

Residents of the house are available twenty-four hours a day for drop-ins or calls. Counselors are available every evening for talk, use of the library resources, or simple information.

The Myers House staff welcomes communication from all College community members. If you have decisions to make, questions to ask, time to talk about anything, please feel free to drop in or call Extension 493.
CHEERLEADERS

The varsity cheerleaders are a group of six individuals whose primary purpose is to support the various athletic teams on campus in as many ways as possible. Besides performing at games, they decorate the locker room, make signs, stuff mailboxes, and do anything else they can to boost team morale while promoting Wooster sports spirit.

Each squad cheers for one season and a new squad is chosen each quarter. Any student (male or female) is welcome to try out; no experience is necessary.

MEN’S INTRAMURALS

The Men’s Intramural Department provides athletic activities for men not participating in varsity sports. Fifteen sports are offered throughout the school year; four sports - touch football, volleyball, basketball, and softball - are the heart of the program.

Any registered College student is eligible, with the exception that members of a varsity sports team may not play that sport at the intramural level.

Questions or suggestions should be directed to Intramural Director Fritz Raab at the Physical Education Center.

WOMEN’S ATHLETIC ASSOCIATION

Wooster’s Women’s Athletic Association provides a structure within which the recreational needs of Wooster women may be fulfilled. All women students are members of the Association, which is governed by a board of elected and appointed student representatives.

The Women’s Athletic Association organizes and administers women’s intramural programs and helps support the women’s intercollegiate athletic program. WAA works in cooperation with the Department of Physical Education and uses P.E.C. facilities, equipment, supplies, and professional services to provide enjoyment and relaxation for you.

For more information, contact WAA President Jenny Reed.

KAPPA THETA GAMMA

Kappa Theta Gamma recognizes and promotes the theatre interests of all College of Wooster students. Membership is not confined to speech majors, but is open to all who show active interest in the theatre arts, including participation in every aspect of production: acting, directing, set design and construction, make-up, lighting, and box office.

Membership requirements include participation in at least three College Little Theatre productions, one of which must be in a technical capacity. Informal meetings are held several times each quarter to keep members informed of activities, which include current productions, acting and technical workshops, trips, to prominent regional theatres, theatre workdays, and picnics.
**DEBATE OR ORATORY**

Intercollegiate teams and oratorical and extemporaneous contests are organized for all interested students. An active forensic program is directed by the Department of Speech.

Wooster's debate team competes in the top levels of intercollegiate forensics, appearing nationwide against teams from Harvard, UCLA, and numerous other top schools.

Interested students should contact Dr. Gerald Sanders, director of forensics for further information.

---

**ZEITGEIST**

Zeitgeist, incorporated in the 1960's to further community, faculty, and student communication, offers folk music, poetry readings, and a friendly, informal atmosphere.

Zeitgeist (translated: spirit of the times) opens each Saturday at 8:45 p.m., and sets begin at 9.

Various types of coffee, tea, cocoa, and cider are sold. Zeitgeist, Wooster's coffeehouse, offers a quiet alternative for a Saturday night.

---

**JAZZ ENSEMBLE**

The Jazz Ensemble is a group of approximately 20 members that play a variety of jazz styles appearing locally and off-campus.

See a member of the Music Department if you would like to audition for one of these groups.

---

**WOOSTER SYMPHONY ORCHESTRA**

The Wooster Symphony Orchestra is an ensemble of over 80 players including both college students, faculty, and administrative personnel, and townspeople. The strings rehearse alone on Mondays from 4:00 to 5:30 p.m. and the entire ensemble rehearses on Wednesday from 7:00 to 9:30 p.m. There are 4 regular concerts each year in addition to a Children's Concert for community youth. Admission is gained by auditions held during Freshman Week each September.

---

**BRASS CHOIR**

The Brass Choir is a group of approximately 16 members selected in the fall by private auditions. The ensemble performs both contemporary and traditional literature including the antiphonal works of Gabrieli, works of J.S. Bach, Beversdorf, Rautavaara, Nelhybel, Husa, and many others. The ensemble often performs with the Wooster Chorus or Westminster Church. It periodically premieres works of student composers in the Student Composition Recitals. Auditions are held during the 1st and 2nd weeks of Fall Quarter.
THE CONCERT CHOIR

The Concert Choir is a mixed group of 60-70 singers drawn from all segments of the college community: students, faculty and administration, as well as townspeople. The choir usually rehearses two hours weekly on Tuesday evenings from 7:00 to 9:00 p.m. Membership is gained through an audition with the conductor. Academic credit is offered for those who desire it. A cordial invitation is extended to interested members of the Class of 1982.

THE WOOSTER CHORUS

The Wooster Chorus is a small, select ensemble (30 voices) largely composed of upperclass students. The chorus repertoire includes those choral masterpieces from all periods which are especially suited to a smaller chorus. The chorus gives three concerts in Wooster, numerous performances in surrounding communities, and goes on tour each year during the spring vacation. A small number of places are open to qualified freshmen through an audition with the director. Interested singers are cordially invited to audition.

THE WESTMINSTER CHOIR

The Westminster Choir is a large chorus composed of students, faculty and townspeople, and serves as the resident choir for the Westminster Presbyterian Church, which worships in McGaw Chapel. This ensemble performs weekly the great music of the church, past and present. Attendance at one weekly rehearsal and the Sunday morning worship service are the only requirements. To secure college credit for participation in this choir, students are asked to audition with the director at the beginning of the year. On behalf of the church, you are cordially invited to participate in this program.

SCOT BAND

The Scot Band is a co-educational organization of 80 musicians. The Scot Band plays at all football games. The Scot Symphonic Band gives two regular concerts each season and also occasional out of town programs. The Scot Pipe Band plays each season and also occasional out of town programs. The Scot Pipe Band plays with the Marching Band during football season and makes appearances around the state during the school years.

THISTLE

Thistle, the literary magazine of the College, features poetic, literary, and art works by members of the College of Wooster community. Photography is also spotlighted. All major works of literary and visual art originating from the College community should have an outlet; Thistle helps to fulfill this need.
