ABOUT THE COVER...

Our cover was designed by recently retired coach Phil Shipe who continues to enrich our lives with his artwork, his jokes and his dog, Homer. It is to him that we dedicate this issue of the New People Directory.
HELLO!

Welcome to Wooster, New People. What you've just managed to tug out of your overused mailbox is you and that cute little description of yourself! But that's not all! Yes, (believe it or not) we managed to get almost all the other New People to do the same thing, and now you get a chance to see them and hopefully learn a little about all those strange faces around you. If you're anything like we were, you'll remember one name and a hundred faces, and trying to put names with the faces will give you a good excuse to use this little book, or to not write home, or even both.

If you'll take the time to read through the first few pages of The Directory, you can get a brief idea of some of the many different and exciting groups and organizations that are available to you here at Wooster. They'll offer you a wide range of activities and interests that are bound to tickle at least one of your fancies.

But most important are the pages after that, for in them are the people you'll be spending four years with - four years of growth, change, and fun, and not necessarily in that order. We hope that The Directory will help give you a start in getting to know those people, for the longer you are at Wooster, the more you'll realize that the real experience is in the people, not the place.

Good luck, and thanks for making this Directory possible. Have a good first year - we're glad you've joined us!!

See you soon, 

Cindy Welly

STUDENT GOVERNMENT ASSOCIATION

The Student Government Association is the formal assembly of the student body, and serves as the vital link between the students and other members of the campus community. The SGA provides an outlet for the expression of student opinion, and a place to make constructive changes on the campus.

The General Assembly, the SGA's legislative branch, consists of representatives elected from each campus living unit. The General Assembly allocates money to campus groups, makes recommendations on college issues, and works directly to pursue student interests.

This year, the SGA will be working to sponsor a conference of student government associations from other small liberal arts colleges around Ohio, to interpret the results of a student attitude survey, to maintain and improve the physical environment of the campus, and to develop the leadership skills of those involved with the General Assembly.

Also, each year the General Assembly approves appointments of students to decision-making faculty committees, trustee committees, the college Judicial Board, and the editors of "Potpourri," a bi-weekly student information sheet, published jointly with the Student Activities Board.

Carol Rowan is the President of the SGA. Gretchen Johnson serves as Vice President, Missy Betcher as Secretary, and Kathi Colmey as Treasurer.

Committee work is the heart of the Student Government Association.

The Educational Affairs Committee, chaired by Gretchen Johnson, consists of students appointed to the various faculty committees. The EAC discusses current proposals before these faculty committees.

The Financial Affairs Committee, chaired by Katy Knall, works specifically with the SGA budget. The committee analyzes all organization fund requests and makes recommendations on them, in addition to providing detailed financial reports on the status of the SGA.

The Social Affairs Committee, chaired by Greg Hook, deals with student-faculty-administrative concerns and other related topics. Recently, the SAC sponsored a Gripe Session where all members of the campus community expressed their concerns about the college.

The Student Services and Special Projects Committee, chaired by Dave Guiley, provides a variety of services including the storage of student possessions and busses to the Cleveland Airport at the beginning and end of each quarter. The committee also handles research projects and campus elections.

Any student may serve on an SGA committee; it is not limited to elected SGA representatives. All students are invited to attend and participate in General Assembly meetings.

For more information, please contact Carol Rowan.
STUDENT ACTIVITIES BOARD

A Student Activities Board might be hard to comprehend. There really isn't anything comparable to it in high school and it is unique to the college campus. Basically, we are responsible for much of the activity outside of the classroom. Since the college is a community, there are certain needs that need to be fulfilled. To do that, the Board is divided into approximately 12 committees. Each committee is responsible for a specific area of programming. For example: skiing, crafts, films, and speakers. The committee has a chairperson and anywhere from 2 to 25 members. The more input the better the program.

In addition, SAB manages two businesses. The Cage, is our campus "nightspot," or student-operated bar. The bands, players, etc. are coordinated through students Doug Clewett and Bill Daywalt, and the facilities are run by Craig Lindsay. If you are interested in either area contact them.

We also run the record co-op, which is located across from Mom's Truck Stop. We special order any record in any current catalogue for about $2 less than retail. In addition, the co-op provides a place to sell your used records without commission. Contact either Artie Kropp or Bill Daywalt for further information.

What the Student Activities Board needs is student involvement. Come into our office located on the hallway to the right of Mom's Truck Stop. Talk to us and become a part of us. Our phone extension is #570 or #378.

CAMPUS COUNCIL

Campus Council is a decision-making body made up of students, faculty, and administrators. Council includes nine students, three faculty representatives, and three administrators.

Campus Council has the power to legislate in areas of student life and to make recommendations to the President of the College, the Board of Trustees, the faculty, or any campus group or committee. Council also allocates money to the campus as a forum for all members of the College community to express and debate ideas. Council meets weekly, and members of the College community are invited to attend and participate.

For further information, contact Chairperson Cindy Weiler.

JUDICIAL BOARD

The Judicial Board is a panel of students, faculty, and administrative officials who are responsible for hearing cases dealing with violations of either the Code of Conduct or the Code of Academic Integrity. Cases are referred to the Judicial Board by the Dean’s staff, Hall Councils, faculty, or by a student’s petition to the chairperson. Cases are then referred to a hearing counselor. A hearing is held and the Board decides upon guilt or innocence and what penalties, if any, will be levied.

Student membership is determined by the Student Government Association. There are openings for members each year for two-year positions.

For further information on the Judicial Board contact: Jim Bregman.

INDEX

The Index, Wooster’s yearbook, is published each fall, covering the events of the previous year. Focusing on all College activities and organizations, the Index serves as a creative and entertaining history of the College. The staff welcomes all students interested in assisting with any and all facts of assembling a yearbook. Students interested in copy writing, layout, photography, and advertising sales should speak to 1979-80 Index editor Dave Sanders. The Index’s offices are located in Lowry Center basement, just down the hall from Mom’s Truck Stop.
WOOSTER VOICE

The Wooster Voice, the official student newspaper of the College, serves both as an outlet for student opinion and creative effort, and as a chance to gain practical experience in journalism.

Published and distributed free each Friday, the Voice offers paid and volunteer positions to all students. Anyone interested in reporting, photography, advertising sales, layout, play, film, or record reviewing, or writing a weekly column is invited to attend staff meetings, held each Thursday night.

No experience is necessary to become a member of the Wooster Voice staff. We encourage letters to the Editor on any current local or national topic, and print all letters that we receive.

The Voice serves a vital purpose on the College campus - pointing out areas of concern on campus, previewing and publicizing upcoming events, and serving as the primary line of communication between members of the college community.

You'll enjoy being a part of the Voice staff - come see us at our office in Lowry Center basement (just down the back hall by Mom's Truck Stop) or call editor Lisa Vickery.

WCWS

WCWS is an educational public broadcast station which serves the College of Wooster campus and the surrounding Wayne County area. Located at 92 on the FM dial, WCWS is managed and operated entirely by College of Wooster students. Radio at Wooster should be a practical learning experience, and WCWS offers a wide range of activities in which any student may become involved. Previous broadcast experience is NOT required!

Broadcast opportunities offered by WCWS include newscasting, sportscasting, public affairs programming (which includes interviewing) and various production jobs. WCWS caters to the wide range of student musical tastes—from the Metropolitan Opera to soul, jazz, and rock.

For more information, contact the station manager.

POTPOURRI

Published twice a week by the Student Government Association, Potpourri has for ten years been recognized as the unofficial news sheet of the College. Students wishing to inform each other of meetings, special events, items lost and found, and other information, will soon learn of the value of Potpourri.

All entries should be legibly written or typed, signed, and turned in by the deadline specified in Potpourri's issue.

Editor of 1979-80 is LuAnn McClernan.
MEN'S SECTIONS

The College of Wooster has six local fraternities, commonly called "sections". Wooster's sections differ from national fraternities in two main respects: (1) they are not affiliated with national organizations, therefore, their dues are less in comparison, and (2) they are subject to the expectations set forth in the College Code of Social Responsibility. Sections differ greatly in size, member attitude, the number and nature of their functions, and the degree of fraternal spirit they possess.

Why join a section? A main appeal of sections is the fellowship or fraternal spirit which they offer. This fellowship is difficult to define, but it is clearly felt by most section men. By living together in a section, and taking part in its activities, the members are able to more fully appreciate the great divergence of personalities among themselves.

Contact Steve Graffam, I.S.C. President, for further information.

WOMEN'S CLUBS

The Women's Clubs at Wooster are local sororities, unaffiliated with any national organizations. The club system is made up of three clubs, where there are about 130 women. A joint governing body called the Inter-Club Council rules the clubs. ICC is responsible for handling inter-club activities and for setting up dates for rush activities and pledging.

Each club serves its purpose by providing women with opportunities that would be difficult for individuals to pursue. Incorporated in their purpose is, of course, the meeting of new people and forming lasting friendships. Club activities have included retreats, parties, popcorn selling at movies, pizza runs, big-little sister programs, and others. Activities involving the clubs as a whole have been the annual Halloween party for Wooster school children, Homecoming decorations, and the ICC formal.

Get to know us, as we get to know you.

Contact Liz van Cleef.

WOMEN'S RESOURCE CENTER

The Women's Resource Center is a cooperative organization of women established by Wooster women for the purpose of meeting, supporting and educating each other. All Wooster women, including women faculty, are considered members.

The Center will be sponsoring films, speakers and many special activities directed toward the self-education of women as well as the entire community.

Located in the Lowry Center, the Wooster Women's Resource Center coordinates women's and women-related activities on campus such as speakers, workshops, films, etc. The Center is in the process of building a collection of books, periodicals, and resources that pertain to women or the women's movement in general.

For information contact Lesley Crowgher or Chris de Vries.
BLACK STUDENTS' ASSOCIATION

The Black Students’ Association is a political, educational, and social organization whose main purpose is to maintain and present life from a Black perspective on campus. The group sees the education of the rest of the campus in Black culture as one of its major duties; the other is the fostering of Black interaction on a campus where Blacks are a decided minority.

All Black and Third World members of the College community are automatically members of BSA. Each year, BSA plans educational and social functions during Black History Week in February and Calling of Blackness Week in May. The group has also designed a Big-Brother/Big-Sister program and a special orientation program to help Black freshmen make an easier adjustment to a basically all-white campus. The group tries to maintain all avenues for expression of Black ideas on campus.

For more information, please contact Don Rice.

SIERRA CLUB

The Sierra Club is concerned with increasing public awareness of environmental problems and taking actions to correct them. The club is loosely affiliated with the National Sierra Club through its Akron chapter, but is independent and requires no dues or national membership. All persons concerned with the environment are welcome to join.

Sierra Club activities include initiating outdoor programs, encouraging conservation, sponsoring environment workshops, and writing letters. The Sierra Club is a young organization and welcomes any and all new ideas.

For more information, contact Gordon Whitney.

NEWMAN MINISTRY

While Newman Ministry is a Catholic Campus Ministry, it serves all faculty, students, and staff of the College with educational, spiritual, and social activities designed to make Christian awareness more deeply a part of our everyday lives, both on campus and in our service to the world community.

Membership is open to all members of the College community, and an invitation is extended to all to share in Newman Center programs. Informal dinner gatherings are held each Thursday at 5:30 in room 247/248 in Lowry Center.

Newman Ministry plans, this year, opportunities for eucharistic celebration, renewal weekends, noted speakers and entertainers... all providing spiritual, educational, and social enrichment.

For more information, please contact Fr. Coletta.
WESTMINSTER CHURCH

Westminster Church is an ecumenically-minded Presbyterian Church serving the students of the College. Students join with townspeople of all ages in worship and service to the community and world.

Meeting in McGaw Chapel, the congregation worships at 10:30 Sunday mornings, led by the Rev. Gordon Stewart.

During the rest of the week Westminster is housed in the Westminster Church House (corner of College and Pine) on the South edge of campus. The ministers' offices are located there as are a student lounge, Zeitgeist Coffee House, Mackey Hall, and Christian education rooms. The Church House is available for students to study or meet individually or in groups.

WOOSTER CHRISTIAN FELLOWSHIP

Wooster Christian Fellowship is an inter-denominational organization of Christian students who gather regularly for times of worship, singing, and instruction from the Bible. Meetings are held on Friday nights in Westminster Church House lounge at 7:00. Participating students are also involved in small groups for prayer, fellowship, Bible discussion, and campus and community service.

For more information, contact Tom Morris.

CAMPUS GIRL SCOUTS

The Campus Girl Scout program is not a Girl Scout troop, although it does give you fellowship with registered Scouts on campus. It is a national program which gives girls in college a chance to continue their Scout experiences and share their abilities by helping in numerous ways with the local Girl Scout troops. In Wooster, the girls help with a troop for the mentally retarded children at Ida Sue School. They assist Brownie and junior troops, often on a regular basis, and help with special events such as campouts, hikes and badge work. The amount of time spent is up to the individual — the need is great — the assistance is appreciated.

You are registered as an adult scout. It is an excellent way to become acquainted with the local community, as well as with upperclassmen already active.

INTERNATIONAL STUDENTS' ASSOCIATION

The International Students' Association seeks to promote understanding and solidarity among foreign students.

The ISA is an action-oriented group; its effort to arouse interest in international affairs encompasses such activities as panel discussions, symposiums, debates, foreign films, and dinners.

Every foreign student is automatically an ISA member. American students and faculty members are welcome at all meetings and encouraged to participate in all ISA activities.

For further information, please contact Debbie Mix.
BABCOCK INTERNATIONAL HOUSE

Babcock International House is a residence hall for men and women. A limited number of entering freshmen will be admitted to the program. Priority to live there will be given to international students, persons who have lived or studied abroad, language majors, cultural area studies majors, students who have language interest and wish to continue it, and students whose academic pursuits are leading toward a vocation in international relations.

Programming in Babcock has been extremely diversified this year and has included: slide presentations and cultural discussions, international dinners, study breaks, discussions on international issues with faculty and visiting resource people, Oktoberfest, and many more.

DOUGLASS HUMANITIES HOUSE

Douglass Hall Humanities House is a residence hall for men and women. A limited number of freshmen will be admitted to the program. The notion of the "humanities" is narrowly conceived, and one need not be a humanities major to live in Douglass. Persons who are performers in the arts and those who have a strong interest in a philosophical, theological, historical, or aesthetic approach to humane and artistic problems are welcome.

The many and varied programs in Douglass have included: firesides with visiting scholars, panel discussions with faculty and administration, music and dramatic performances by residents, a disco, continental breakfasts, music, study breaks, pumpkin carving contest and many others.

HARAMBEE HOUSE

The goal of Harambee House is to strive toward Black Brotherhood and Third World understanding through programs that are educationally, culturally and socially relevant to the entire Wooster community.

The group's program involves inviting incoming Freshmen and transfer students to live with us their first quarter on campus. It provides them with the opportunities to live with upperclassmen and assimilate more quickly into the mainstream of college life.

Harambee House solicits its members from the campus community. As stated above, incoming transfers and Freshmen are also welcome. Regular membership is open to all male Black and Third World students.

WAGNER HALL: A Question of Values

Wagner Hall is a program residence hall for men and women. A limited number of entering freshmen will be admitted to the program. In Wagner students and staff work cooperatively to raise and answer questions which pertain to values. Both students and staff are members of small discussion groups in which they have the opportunity to discuss any issue which reflects their needs and concerns.

In its programming, Wagner strives for a diversity which reflects the ranging interests of its residents. This year, visiting faculty and guests led discussions on topics such as: world hunger, South Africa, the values of American Indians, genetic intervention, and death and aging.
Westminster Cottage is a small house residence unit which houses 11 women and 10 men. The main thrust of this house has been and will continue to be "community." The fundamental experiment is how a disparate group of 21 students and a faculty family can find commonality and, having found it, express it to the college campus in a tangible way. The web of relationships will grow from the simplest of shared responsibilities through more structured programs.

Past year's communities have found expression through shared evening meals, programs with faculty and student guests, individual sharing of creative talents, an all-campus book sale, open houses, quarterly retreats, and many, many discussions about goals and objectives.
MEN'S INTRAMURALS

The Men's Intramural Department provides athletic activities for men not participating in varsity sports. Fifteen sports are offered throughout the school year; four sports - touch football, volleyball, basketball, and softball - are the heart of the program.

Any registered College student is eligible, with the exception that members of a varsity sports team may not play that sport at the intramural level.

Questions or suggestions should be directed to the Intramural Director at the Physical Education Center.

WOMEN'S ATHLETIC ASSOCIATION

Wooster's Women's Athletic Association provides a structure within which the recreational needs of Wooster women may be fulfilled. All women students are members of the Association, which is governed by a board of elected and appointed student representatives.

The Women's Athletic Association organizes and administers women's intramural programs and helps support the women's intercollegiate athletic program. WAA works in cooperation with the Department of Physical Education and uses P.E.C. facilities, equipment, supplies, and professional services to provide enjoyment and relaxation for you.

For more information, contact Rose Mickley.

KAPPA THETA GAMMA

Kappa Theta Gamma recognizes and promotes the theatre interests of all College of Wooster students. Membership is not confined to speech majors, but is open to all who show active interest in the theatre arts, including participation in every aspect of production: acting, directing, set design and construction, make-up, lighting, and box office.

Membership requirements include participation in at least three College Little Theatre productions, one of which must be in a technical capacity. Informal meetings are held several times each quarter to keep members informed of activities, which include current productions, acting and technical workshops, trips to prominent regional theatres, theatre workdays, and picnics.

DEBATE OR ORATORY

Intercollegiate teams and oratorical and extemporaneous contests are organized for all interested students. An active forensic program is directed by the Department of Speech.

Wooster's debate team competes in the top levels of intercollegiate forensics, appearing nationwide against teams from Harvard, UCLA, and numerous other top schools.

Interested students should contact Dr. Gerald Sanders, director of forensics for further information.
ZEITGEIST

Zeitgeist, incorporated in the 1960's to further community, faculty, and student communication, offers folk music, poetry readings, and a friendly, informal atmosphere.

Zeitgeist (translated: spirit of the times) opens each Saturday at 8:45 p.m., and sets begin at 9.

Various types of coffee, tea, cocoa, and cider are sold. Zeitgeist, Wooster's coffeehouse, offers a quiet alternative for a Saturday night.

JAZZ ENSEMBLE

The Jazz Ensemble is a group of approximately 20 members that play a variety of jazz styles appearing locally and off-campus.

See a member of the Music Department if you would like to audition for one of these groups.

WOOSTER SYMPHONY ORCHESTRA

The Wooster Symphony Orchestra is an ensemble of over 80 players including both college students, faculty, and administrative personnel, and townspeople. The strings rehearse alone on Mondays from 4:00 to 5:30 p.m. and the entire ensemble rehearses on Wednesday from 7:00 to 9:30 p.m. There are four regular concerts each year in addition to a Children's Concert for community youth. Admission is gained by auditions held during Freshman Week each September.

BRASS CHOIR

The Brass Choir is a group of approximately 16 members selected in the fall by private auditions. The ensemble performs both contemporary and traditional literature including the antiphonal works of Gabrieli, works of J.S. Bach, Beversdorf, Rautavarra, Nelhybel, Husa, and many others. The ensemble often performs with the Wooster Chorus of Westminster Church. It periodically premieres works of student composers in the Student Composition Recitals. Auditions are held during the first and second weeks of Fall Quarter.

THE CONCERT CHOIR

The Concert Choir is a mixed group of 60-70 singers drawn from all segments of the college community: students, faculty and administration, as well as townspeople. The choir usually rehearses two hours weekly on Tuesday evenings from 7:00 to 9:00 p.m. Membership is gained through an audition with the conductor. Academic credit is offered for those who desire it. A cordial invitation is extended to interested members of the Class of 1983.
THE WOOSTER CHORUS

The Wooster Chorus is a small, select ensemble (30 voices) largely composed of upperclass students. The chorus repertoire includes those choral masterpieces from all periods which are especially suited to a smaller chorus. The chorus gives three concerts in Wooster, numerous performances in surrounding communities, and goes on tour each year during the spring vacation. A small number of places are open to qualified freshmen through an audition with the director. Interested singers are cordially invited to audition.

THE WESTMINSTER CHOIR

The Westminster Choir is a large chorus composed of students, faculty and townspeople, and serves as the resident choir for the Westminster Presbyterian Church, which worships in McGaw Chapel. This ensemble performs weekly the great music of the church, past and present. Attendance at one weekly rehearsal and the Sunday morning worship service are the only requirements. To secure college credit for participation in this choir, students are asked to audition with the director at the beginning of the year. On behalf of the church, you are cordially invited to participate in this program.

SCOT BAND

The Scot Band is a co-educational organization of about 80 musicians. The Scot Band plays at all football games. The Scot Symphonic Band gives two regular concerts each season and also occasional out of town programs. The Scot Pipe Band plays with the Marching Band during football season and makes appearances around the state during the school years.

BLACK ENSEMBLE

The Wooster Black Ensemble is a newly chartered campus organization. Campus Council would like to congratulate the Black Ensemble and wish them the best in their future endeavors. The Black Ensemble is comprized of approximately 20 students who will be performing in and around the Wooster vicinity. As they begin to organize they hope to expand their program to other areas through tours. For more information, contact Dana Baker, President.

THISTLE

Thistle, the literary magazine of the College, features poetic, literary, and art works by members of the College of Wooster community. Photography is also spotlighted. All major works of literary and visual art originating from the College community should have an outlet; Thistle helps to fulfill this need.
