ABOUT OUR COVER.....
Our cover was designed by Carey Pelto.
HELLO!

Welcome to Wooster, New People. You are now holding the finished product which you probably helped to make possible. Please take time to carefully read through the first few pages. They describe the main activities which you may become involved in during your years at the college. The activities include governmental responsibilities, publications, housing options, church oriented groups and musical organizations.

We hope you enjoy the pictures of your classmates as well as their unique descriptions.

Best wishes to a class of "fun-loving, athletic, friendly and enthusiastic," people.

Thanks again!

CAMPUS COUNCIL

Campus Council is a decision-making body composed of students, faculty, and administrators. Council includes nine students, three faculty representatives, and three administrators.

Campus Council has the power to legislate in areas of student life and to make recommendations to the President of the College, the Board of Trustees, the faculty, or any campus group or committee. Council also allocates money to the campus as a forum for all members of the College community to express and debate ideas. Council meets weekly, and members of the College community are invited to attend and participate.

For further information, contact Chairperson, John Talbot.

JUDICIAL BOARD

The Judicial Board is a panel of students, faculty, and administrative officials who are responsible for hearing cases dealing with violations of either the Code of Conduct or the Code of Academic Integrity. Cases are referred to the Judicial Board by the Dean’s staff, Hall Councils, faculty, or by a student’s petition to the chairperson. Cases are then referred to a hearing counselor. A hearing is held and the Board decides upon guilt or innocence and what penalties, if any, will be levied.

Student membership is determined by the Student Government Association. There are openings for members each year for two-year positions.

For further information on the Judicial Board contact Steve Travers, Chairperson.

INDEX

The INDEX, Wooster’s yearbook, is published each quarter, covering the events of the previous quarter. Focusing on all College activities and organizations, the INDEX serves as a creative and entertaining history of the College. The staff welcomes all students interested in assisting with any and all facts of assembling a yearbook. Students interested in copy writing, layout, photography, and advertising sales should speak to 1980-81 INDEX editor, Mary Neagoy. The index’s office is located in Lowry Center basement, just down the hall from Mom’s Truck Stop.

POTPOURRI

Published twice a week by the Student Government Association, POTPOURRI has for 11 years been recognized as the unofficial news sheet of the College. Students wishing to inform each other of meetings, special events, items lost and found, and other information, will soon learn of the value of POTPOURRI. All entries should be legibly written or typed, signed, and turned in by the deadline specified in POTPOURRI’S issue. The issues may be found on dining tables in Lowry Center and Kittredge Dining Halls.
WOOSTER VOICE

The WOOSTER VOICE, the official student newspaper of the College, serves both as an outlet for student opinion and creative effort, and as a chance to gain practical experience in journalism.

Published and distributed free each Friday, the VOICE offers paid and volunteer positions to all students. Anyone interested in reporting, photography, advertising sales, layout, play, film, or record reviewing, or writing a weekly column is invited to attend staff meetings, held weekly.

No experience is necessary to become a member of the WOOSTER VOICE staff. We encourage letters to the Editor on any current local or national topic, and print all letters that we receive.

The VOICE serves a vital purpose on the College campus - pointing out areas of concern on campus, previewing and publicizing upcoming events, and serving as the primary line of communication between members of the College community.

You’ll enjoy being a part of the VOICE staff - come see us at our office in Lowry Center basement (just down the back hall by Mom's Truck Stop) or call editor Louise Blum.

WCWS

WCWS, 92 FM, is a 390-watt, noncommercial, educational radio station located in Wishart Hall which strives to professionally serve Wayne County with diversified programming as licensed by the Federal Communications Commission. WCWS is completely managed and operated by College of Wooster students. Any student is welcome to become involved in one or several aspects of WCWS including news and sportscasting, engineering, public affairs programming, production, and music programming. Radio experience is greatly admired but not required. In addition to news and public affairs programming and College of Wooster sportscasts WCWS offers Classical, Jazz, Soul, Country, Album-Oriented Rock, and Pop Contemporary music.

If interested in being involved at the C.O.W. and serving the community, WCWS is for you! For more information contact Martha Lord, Station Manager.

MEN'S SECTIONS

The College of Wooster has six local fraternities, commonly called "sections." Wooster’s sections differ from national fraternities in two main respects: (1) they are not affiliated with national organizations, therefore, their dues are less in comparison, and (2) they are subject to the expectations set forth in the College Code of Social Responsibility. Sections differ greatly in size, member attitude, the number and nature of their functions, and the degree of fraternal spirit they possess.

Why join a section? A main appeal of sections is the fellowship or fraternal spirit which they offer. This fellowship is difficult to define, but it is clearly felt by most section men. By living together in a section, and taking part in its activities, the members are able to more fully appreciate the great divergence of personalities among themselves.

Contact Pete Sundman, I.S.C. President, for further information.
WOMEN'S CLUBS

The Women’s Clubs at Wooster are local sororities, unaffiliated with any national organizations. The club system is made up of three clubs, where there are about 130 women. A joint governing body called the Inter-Club Council rules the clubs. ICC is responsible for handling inter-club activities and for setting up dates for rush activities and pledging.

Each club serves its purpose by providing women with opportunities that would be difficult for individuals to pursue. Incorporated in their purpose is, of course, the meeting of new people and forming lasting friendships. Club activities have included retreats, parties, popcorn selling at movies, pizza runs, big-little sister programs, and others. Activities involving the clubs as a whole have been the annual Halloween party for the Wooster school children, Homecoming decorations, and the ICC formal.

Get to know us, as we get to know you.

For more information, contact Linda Loesch.

WOMEN'S RESOURCE CENTER

The Women’s Resource Center is a cooperative organization of women established by Wooster women for the purpose of meeting, supporting and educating each other. All Wooster women, including women faculty, are considered members.

The Center will be sponsoring films, speakers, and many special activities directed toward the self-education of women as well as the entire community.

Located in the Lowry Center, the Wooster Women’s Resource Center coordinates women’s and women-related activities on campus such as speakers, workshops, films, etc. The Center is in the process of building a collection of books, periodicals, and resources that pertain to women or the women’s movement in general.

For information contact Karen Wilson.

BLACK STUDENTS’ ASSOCIATION

The Black Students’ Association is a political, educational, and social organization whose main purpose is to maintain and present life from a Black perspective on campus. The group sees the education of the rest of the campus in Black culture as one of its major duties; the other is the fostering of Black interaction on a campus where Blacks are a decided minority.

All Black and Third World members of the College community are automatically members of BSA. Each year, BSA plans educational and social functions during Black History Week in February and Calling of Blackness Week in May. The group has also designed a Big-Brother/Big-Sister program and a special orientation program to help Black freshmen make an easier adjustment to a basically all-white campus. The group tries to maintain all avenues for expression of Black ideas on campus.

For more information, please contact Eugenia Hull.
SIERRA CLUB

The Sierra Club is concerned with increasing public awareness of environmental problems and taking actions to correct them. The club is loosely affiliated with the National Sierra Club through its Akron chapter, but is independent and requires no dues or national membership. All persons concerned with the environment are welcome to join.

Sierra Club activities include initiating outdoor programs, encouraging conservation, sponsoring environment workshops, and writing letters. The Sierra Club is a young organization and welcomes any and all new ideas.

For more information, contact Gordon Whitney.

NEWMAN MINISTRY

While Newman Ministry is a Catholic Campus Ministry, it serves all faculty, students, and staff of the College with educational, spiritual, and social activities designed to make Christian awareness more deeply a part of our everyday lives, both on campus and in our service to the world community.

Membership is open to all members of the College community, and an invitation is extended to all to share in Newman Center programs. Informal dinner gatherings are held each week in Lowry Center.

Newman Ministry plans, this year, opportunities for eucharistic celebration, renewal weekends, noted speakers and entertainers... all providing spiritual, educational, and social enrichment.

For more information, contact Father Wysocki at St. Mary’s Catholic Church.

WESTMINSTER CHURCH

Westminster Church is an ecumenically-minded Presbyterian Church serving the students of the College. Students join with townspeople of all ages in worship and service to the community and world.

Meeting in McGraw Chapel, the congregation worships at 10:30 Sunday mornings, led by Gordon Stewart, assisted by Mark Wendorf.

During the rest of the week Westminster is housed in the Westminster Church House (corner of College and Pine) on the South edge of campus. The ministers' offices are located there as are a student lounge, Zeitgeist Coffee House, Mackey Hall, and Christian education rooms. The Church House is available for students to study or meet individually or in groups.

WOOSTER CHRISTIAN FELLOWSHIP

Wooster Christian Fellowship is an inter-denominational organization of Christian students who gather regularly for times of worship, singing, and instruction from the Bible. Meetings are held on Friday nights in Westminster Church House lounge at 7:00. Participating students are also involved in small groups for prayer, fellowship, Bible discussion, and campus and community service.
INTERNATIONAL STUDENTS' ASSOCIATION

The International Students' Association seeks to promote understanding and solidarity among foreign students.

The ISA is an action-oriented group; its effort to arouse interest in international affairs encompasses such activities as panel discussions, symposiums, debates, foreign films, and dinners.

Every foreign student is automatically an ISA member. American students and faculty members are welcome at all meetings and encouraged to participate in all ISA activities.

For further information, please contact Debbie Mix.

BABCOCK INTERNATIONAL HOUSE

Babcock International House is a residence hall for men and women. A limited number of freshmen will be admitted to the program. Priority to live there will be given to international students, persons who have lived or studied abroad, language majors, cultural area studies majors, students whose academic pursuits are leading toward a vocation in international relations.

DOUGLASS HUMANITIES HOUSE

Douglass Hall Humanities House is a residence hall for men and women. A limited number of freshman will be admitted to the program. The notion of the "humanities" is narrowly conceived, and one need not be a humanities major to live in Douglass. Persons who are performers in the arts and those who have a strong interest in a philosophical, theological, historical, or aesthetic approach to humane and artistic problems are welcome.

The many and varied programs in Douglass have included: firesides with visiting scholars, panel discussions with faculty and administration, music and dramatic performances by residents, a disco, continental breakfasts, music, study breaks, pumpkin carving contest and many others.

HARAMBEE AND HESSON HOUSES

The goal of Harambee and Hesson Houses is to strive toward Black Brotherhood and Third World understanding through programs that are educationally, culturally and socially relevant to the entire Wooster community.

The group's program involves inviting incoming Freshmen and transfer students to live with us their first quarter on campus. It provides them with the opportunities to live with upperclassmen or upperclasswomen and assimilate more quickly into the mainstream of college life.

Harambee and Hesson Houses solicit about 23 members from the college community. As stated above, incoming transfers and Freshmen are also welcome. Regular membership is open to all Black and Third World students. Contact person: Terry Walker.
WAGNER HALL: A Question of Values

Wagner Hall is a program residence hall for men and women. A limited number of entering freshmen will be admitted to the program. In Wagner students and staff work cooperatively to raise and answer questions which pertain to values. Both students and staff are members of small discussion groups in which they have the opportunity to discuss any issue which reflects their needs and concerns.

In its programming, Wagner strives for a diversity which reflects the ranging interests of its residents. This year, visiting faculty and guests led discussions on topics such as: world hunger, South Africa, the values of American Indians, genetic intervention, and death and aging.

MEN'S INTRAMURALS

The Men's Intramural Department provides athletic activities for men not participating in varsity sports. Fifteen sports are offered throughout the school year; four sports - touch football, volleyball, basketball, and softball - are the heart of the program.

Any registered College student is eligible with the exception that members of a varsity sports team may not play that sport at the intramural level.

Questions or suggestions should be directed to the Intramural Director at the Physical Education Center.

WOMEN'S ATHLETIC ASSOCIATION

Wooster Women's Athletic Association provides a structure within which the recreational needs of Wooster women may be fulfilled. All women students are members of the Association, which is governed by a board of elected and appointed student representatives.

The Women's Athletic Association organizes and administers women's intramural programs and helps support the women's intercollegiate athletic program. WAA works in cooperation with the Department of Physical Education and uses P.E.C. facilities, equipment, supplies, and professional services to provide enjoyment and relaxation for you.

For more information, contact Lisa Seward.

DEBATE OR ORATORY

Intercollegiate teams and oratorical and extemporaneous contests are organized for all interested students. An active forensic program is directed by the Department of Speech.

Wooster's debate team competes in the top levels of intercollegiate forensics, appearing nationwide against teams from Harvard, UCLA, and numerous other top schools.

Interested students should contact Dr. Gerald Sanders, director of forensics for further information.
**ZEITGEIST**

Zeitgeist, incorporated in the 1960's to further community, faculty, and student communication, offers folk music, poetry readings, and a friendly, informal atmosphere.

Zeitgeist (translated: spirit of the times) opens each Saturday at 8:45 p.m., and sets begin at 9.

Various types of coffee, tea, cocoa, and cider are sold. Zeitgeist, Wooster's coffeehouse, offers a quiet alternative for a Saturday night.

**JAZZ ENSEMBLE**

The Jazz Ensemble is a group of approximately 20 members that play a variety of jazz styles appearing locally and off-campus. Members receive academic credit for participation.

See Dr. Ling of the Music Department if you would like to audition for one of these groups.

**WOOSTER SYMPHONY ORCHESTRA**

The Wooster Symphony Orchestra is an ensemble of over 80 players including college students, faculty, administrative personnel, and townspeople. The strings rehearse alone on Mondays from 4:00 to 5:30 p.m. and the entire ensemble rehearses on Wednesday from 7:00 to 9:30 p.m. There are four regular concerts each year in addition to a Children's Concert for community youth. Admission is gained by auditions held during Freshman Week each September. Academic credit is received for student participation. Nancy Buckingham of the Music Department is the director.

**BRASS CHOIR**

The Brass Choir is a group of approximately 16 members selected in the fall by private auditions. The ensemble performs both contemporary and traditional literature including the antiphonal works of Gabrieli, works of J.S. Bach, Beversdorf, Rautavarra, Nelhybel, Husa, and many others. The ensemble often performs with the Wooster Chorus of Westminster Church. It periodically premieres works of student composers in the Student Composition Recitals. Auditions are held during the first and second weeks of the Fall Quarter and academic credit is received.

**THE CONCERT CHOIR**

The Concert Choir is a mixed group of 60-70 singers drawn from all segments of the college community: students, faculty, and administration, as well as townspeople. The choir usually rehearses two hours weekly on Tuesday evenings from 7:00 to 9:00 p.m. Membership is gained through an audition with the conductor, Mr. J. Russell. Academic credit is offered for those who desire it. A cordial invitation is extended to interested members of the Class of 1984.
