Dear family.

Am at Bosto this afternoon. It's a lovely day. Sort of cold and snappy. Feel pretty good. Even tho tired as might be expected after a day like yesterday.

Friday night Bosto and I made some sandwiches for 11 girls - at the Tea House as we all wanted to eat breakfast on the car in the morning, which left at 6:30. and we had to walk down town to get the car. It was cold and so (as it was looking a little rainy) I wore my athletic sweater underneath my slicker. - ~~But~~ I should have worn my fur coat had it have been here. I think you are mistaken about

2nd the coat. The one you mention
being cleaned was my tweed one
- that was in that parcel post
package. The coat (fur) you
remember was at the Tailors being
relined and was in finished
before I left and you said
you would send it after it
came back - when you got
home after the trip. I imagine
it is still at the Tailor on
that one-way street. Wish
you would get it & send it.
Dad & I took it there. The
sleeves were to be relined.

and I think you did not send
it. However I went to the P.O.
There was no record of it and
they said to trace it from the
other end.

We did not stay in
Cleveland over night. We
surely had one grand time

Sold some - lots of sandwiches
on the car and made some
"pin" money. Our bunch rode
in the smokes. Of course it
was a special college car &
no one smoked. 11 of us.
The trip cost me 6.00. We
went shopping in the morning
and each bought a 10¢
c

to wear to the game
just an imitation one as the
others cost 75¢ - It is our
college flower. and they looked
so cute. Pexy & the coach always
wore them on big game days
we had a grand cafeteria
lunch.

And the game was
wonderful. We made a
touchdown in the first

4/ 5 minutes and they made a
touchdown in the last 2 min.
Such excitement - But they
missed the kickover so we
won with a score 7-6. Boy
some game. as you can
imagine. It was our immigration
day so we had 3 or 400 Easter
there. Men with wicker
people all over the
city shopping etc. We went
to the market on our last place!

Brits & I had 1 Chap suey
1 Yarrow. 1 egg fr. together.
Cost us 1.75 Together. The kids
dined between courses -
Wonderful time. In the
evening we went to Ruth's palace
- V and well - It was rank &
disgusting most of it - I guess
most of the wicker delegation
were there

The Vic is now on - just finished
"let me call your sweetheart and now
playing" - let me call your sweetheart"

As I was saying - the Keiths
Vanderwele - Its appalling when
not think of the thousands who
are being entertained as such all
over the country and how they really
are being pleased.

We came home on the 11:30
car and ran all the way to get it -
The puppy was too puppy to sleep - but
almost went to sleep in church.

We sang a beautiful anthem in
church. Our new robes are so nice.
Had a good dinner this noon.
Have been teasing Bisto - Shes
trying to write a letter.
The lions are turning so quickly

Glad I made "Doc" happy.
He told me that he writes long
letters I haven't heard from
him yet. I'm anxious to
hear what he will say
and how he will explain
Papa is home by
now, I suppose
will close now

Oh no - will answer your
questions in last letter.
When I go to see Bro's
I sleep with her.
Sometimes her room-mate
is there & sometimes she
goes up stairs with her
gang.
My sneezing has
subsided but not
stopped altogether

You never saw College Hall. It's a missionary project in the Italian district - sort of a community house which the college supports.

Our car arrived home at 2:00 Clock Sun. morning

Did Dad see any of our people in St. Louis? How about Evelyn Miller. Tell me all about it.

My dress & skirt all came there beautifully. My rain coat is trimmed.

C. E. topic tonight.
"Is Campus life real life?"

my love to all

Mary Elizabeth.
