welcoming the
CLASS OF 1997

The College of Wooster

Welcome Class of 1997

We have many people we wish to thank in helping us put together this "Baby Book" for all of you. First and foremost, we would like to thank our parents for their tremendous support and many ideas. We would especially like to thank Penny Householder for her terrific artwork. Also, we would like to thank Robin and Michelle at the Collier Printing Company, Noel Blyler in Admissions, all of our advertisers, and SGA for sponsoring our endeavor. Also, we would like to thank Blake, Pete, Becca, and Matt for supporting us as we fished through the 300+ letters to compile this Directory. On that same note, we would like to thank Mike's postman for lugging those letters to his house during the heat and humidity of the summer months.

To all of the first-years, we wish you the best of luck during your four (or maybe more) years at Wooster. We can only hope that you enjoy yourselves half as much as we have during our years at Woo. Again, welcome to the College of Wooster, Class of 1997!

How often do you have killer sex?

We're talking killer sex in the true sense of the word. Sex without the right precautions. Sex that can turn you *off*... for good.

Look, we don't want to scare you. (Well, maybe a little.) And although abstinence is the only sure protection, we don't want to tell you how to lead your life. We just want to teach you the facts of life about sexually transmitted diseases. And there are over 30 of them including AIDS, the deadliest of them all.

Now it may not be easy to come in and see us the first time. But rest easy! You'll find us caring, understanding and professional. We'll take the time to know you and answer all your questions in plain, simple language. And, don't worry, everything's confidential, not to mention affordable.

These days, you've got to know all about safer sex. And we can help. We also provide testing and treatment of sexually transmitted diseases, counseling and referral, and much more.

So think about Planned Parenthood. And think about your own health and well being. Make the smart choice and make an appointment today.

For an appointment,
