Welcome to Wooster

a.k.a. So You Made It Here After All!

First of all, I would like to address all the new students whose entertaining and witty quotes brought the *Baby Book* to life. I am happy that you had a sense of humor and took the time to answer the goof-ball questions. I had a great time meeting you through your responses and I know that the rest of the Wooster community will enjoy reading about you as well.

Next I want to thank a bunch of behind-the-scenes people who made this directory possible: Michelle and Robin at The Collier Printing Co. for putting us on the right track, John Plummer for being an awesome accounting supervisor and all around swell guy, my employers at ACS for being so cool about everything and not firing me, and Jay Wineberg for being the best housemate two women could ever want. You people are stylin'.

I could go on to thank my family and close personal friends (Anya, Kirsten, Sandra), but, since I did not win any major awards for producing this book, there is no reason that you should have to read any more random "thank you's." If I had any words of wisdom, I would offer them now, but I figure that you have heard enough advice and are ready to get fired up with the rest of us at the College of Wooster (COW). So I'll conclude by wishing you joy and luck in the 1994-95 school year!

Enjoy the 1994 *Baby Book*!

What is the craziest thing you've ever done?

Show us that you are made of that wild Wooster material!

I once shot a GAP employee...either that or the time I tried to order a bucket of chicken from Taco Bell.

Dressed up like a girl and got money stuffed in my bikini top.

Dove into a four foot deep swimming pool; broke off my two front teeth.

I flew to the Dallas airport instead of the Dulles airport.

I streaked the top of the Eiffel Tower with four of my friends.

With some of my friends, a few days before graduation, we got a huge rock and dumped it in front of our high school. Then we spray painted it from the Class of '94 as an unofficial class gift.

I played an intense round of strip blackjack by candlelight in my backyard with my parents right inside.

When I was a little boy, I once ate ants because of curiosity.

It had just rained and the rain froze. My sister and I went for a walk to the park, sliding all the way there. To make ourselves more slippery, we put trash bags on our butts like diapers. The we went on all the ice covered slides, hoping that we'd stop before we went into the ravines.

Marching with the "Junior Irish Sovereignty League," or JISM, made up of my high school seniors, in the Cleveland St. Patrick's Day parade.

My friends and I saw this giant house with a DJ and hundreds of people outside. So we walked up to the house and asked some people if they knew if Adam (we made up the name) was there. They said no but invited us to stay. By the time we left everyone knew us!!

Naked snowball fight at 3 a.m.

Censored.

Once my friends and I built a chain of straws. We were at a bowling alley and our chain was 20 lanes long. We carried it out and people helped us.

The craziest thing I've ever done was hitchhike to Washington, D.C. (from Ohio.)

Bailed my boyfriend out of jail after a concert.

Belonging to the terrorist group behind the July 1992 bombing of Purdue University.

The day I dressed up in a wig and little dress and pretended I was Wendy (not on Halloween.)

Me and my friends went at 11 a.m. to a concert that started at 7 p.m. in order to get the best places in front of the stages. We ended up sitting 8 hours at 104 degrees outside, in front of the gate drinking alcohol, and alcohol + sun = fermentation effect.

For a talent show, I wore a mini kilt and short top and played "Like a Virgin" on my bagpipes.

What was your most embarrassing moment?

We hate to drag up that unpleasant memory, but inquiring minds want to know!

Being carried out of McDonald's on a stretcher during the lunch rush (I slipped on the wet floor and twisted my knee.)

Birth. I was naked around complete strangers.

Blacking out during a speech about the benefits of giving blood.

During my freshman year in high school, I was rolled up in a carpet during a lunch period. I was left rolled up for the remainder of the day.

Getting caught skinny dipping in the Dominican Republic by an advisor who took our clothes and ran.

Having my bra stolen and displayed as a freshman initiation prank.

I drank from a Coke can that had been left outside for a few minutes. To my surprise, I felt something on my lip and pulled off a bee after it had stung me. My lower lip swelled up like a balloon just in time for a college interview.

I was at a stoplight in a car with a friend and I thought my other friend was in a car in front of me. I got out and ran to the car and tried to open the door. The little girl inside locked the door and started screaming. I felt terrible and quickly ran back to the original car.

I went on a canoe trip and had to go to the bathroom really bad. As I went on the river bank in front of about 30 people, the tour guide explained that the entire bank was poison ivy. My back was turned, by the way.

Let's just say it wasn't just flapjacks that showed up on our table at the International House of Pancakes.

My best friend's mother felt my butt.

My human physiology teacher asked me if I was into sadomasochism.

My whole life is an embarrassment.

My most embarrassing moment came at the Robin Hood Pub in Bermuda, when I excused myself of clothing to win the Dirty Dancing competition, only to find that my friend had taken pictures.

Not me, but a friend (no really), stole an inflatable life jacket from an airplane only to be greeted by several policemen at the gate—who promptly slapped the cuffs on him and carted him away; the funny thing was that all his friends and family came to the airport to greet him.

On the first day of preschool, I was very nervous and scared. I didn't want my dad to leave me so I wrapped myself around his lower leg. When I looked up I saw my dad outside waving to me. I realized that I had grabbed the leg of a complete stranger.

Playing hide and go seek in fifth grade—I got stuck in a locker.

One day in seventh grade I took a nap and woke up at 7 p.m. I thought it was 7 a.m. No one was home so I thought they had already left and so I rode my bike to school. I was surprised when no one was there and when I asked the janitor, he said, "Whatever you've been smoking, I want some!" Then I figured it out.

When I was about 10 years old, my mother, younger brother and myself were at some restaurant. I was being pretty stubborn and pretty bad. By the end of dinner, after numerous threats, my mother covered my hair with ketchup.

When I was in eighth grade, I tried to talk to a friend of mine who was in the little reading room by using the PA system. However, I hit the wrong buttons and I ended up screaming all over my middle school, "Tyler, why won't you answer me?" The principal walked in and asked me what on earth I was doing.

When my teacher in fourth grade (who was a total dog) realized she had dated my father in high school and told the whole class! What was worse, she still had a picture of him with her!!

When I got a lampshade stuck on my finger.

GUESS WHICH WOOSTER WOMAN?

*What you are about to witness is the real thing.
Only the names have been omitted to protect the guilty.*

Energetic, sincere, intelligent, fun-loving female wants to meet YOU! Easy to talk to and pleasant to be around, this attractive gal is a definite asset to a wide variety of outings and occasions.

Attention all Wooster men—sweet and petite SWF seeks funny, liberal, and understanding guy for friendship, maybe more. If you like theatre, 10,000 Maniac, and fun, I'm for you! No Limbaugh or rap lovers please!

Girl seeks boy.

Young white female. Medium height with pale skin, brown eyes, and dark curly hair. In the market for approximately aged male who is a good conversationalist and has creative entertainment ideas. Those who don't own a tie need not apply.

SWCF, N/S, seeks SWCM with BMW and \$ in an ATM who works at NASA, preferably a N/S and a N/D. "I just want some TLC!"

SWF seeks SM with a good sense of humor, ticklish, committed and Christian. Must be able to sing and speak in a foreign language. Audition times 3-5 p.m. weekdays. Ask for Juliet.

Friendly; love to travel, swim, meet people; in desperate need of a stretching machine.

I'm lean, I'm green, I'm socially unacceptable. I'm loud at times and quiet at others. I like to listen. I like to learn. I'd like to meet you.

I'm a single female with brown hair and blue eyes. Most people consider me short. I'm quiet and I like to read. I wear glasses. I'm decidedly a geek. I enjoy the company of male geeks with a certain degree of intelligence.

Somewhat shy and sensitive yet sportive and often surprisingly silly; smart with a splash of spaciness; occasionally solemn but only sour when starving or sleepy, usually sociable but may be satisfied by solitude, sings sweetly and always strongly—savors syntax.

Fun-loving, long hair, not scary to look at. Want outgoing male.

Cute, single, white, Christian, Bouncy, Bubby Brunette that like to have fun and be outdoors. Enjoys dancing, friends, volleyball, climbing, music, Art and *Romance*. In search of good times.

Wanted SWM for SWF, must have a good personality, be fun, and decent looking. Can be from the ages of 18 to 75 (I'm not that picky.)

SWF seeks Wooster SM for endless hours of studying romance, experimenting the drive of human passion, and other "hands-on" education. Must be able to last all night...hey wait a minute! I'm talking about Literature not Human Anatomy! Grow up freshmen!

SWF—I have no life, but I want one. Is there anybody out there who would like to help me?

GUESS WHICH WOOSTER MAN?

*What you are about to witness is the real thing.
Only the names have been omitted to protect the guilty.*

A boy heralding from the sub-continent of India who likes to enjoy himself with others as well as being on his own at times.

All ladies looking for a tall, sensitive, muscular, funny, athletic, intelligent, somewhat modest, rump shakin', party makin', no funk fakin' guy who's looking for some TLC without the OPP, just do the right thing and dial up my ring ring.

Dashing, talented young man with a silver tongue, looking for equally dashing, talented young lady to share food, folks and fun.

Friendship first! Can we talk? Single, white lumberjack looking for a good time. Likes animals, Jane and Tarzan, and likes to press wild flowers. Occupation: postman. Favorite pastime: staring at the ceiling in bed. Reputation: compulsive liar.

Sexy, swarthy suitor seeks succulent sidekick.

SWM, fond of weaponry, pacifist, enjoys films and foreign accents, wants to be reincarnated as a grey wolf, afraid of aliens, seeks disease-free companion for poetry reading and discussion of Eastern Religion.

Canadian male, 19, looking for female to go "oot" and "aboot." We can go ice fishing or dog sledding. Your igloo or mine, eh?

SWM Good, Bad, But Not Ugly! Great Sense of Humor, Large and In Charge, Seeking Intelligent Cute Girls that like to have fun.

Tall, handsome soccer player with extraordinary sense of humor and bad knees seeks agile, athletic, basketball lady with great legs for one-on-one play.

SWM – Brilliant, musical, attractive, charismatic, witty, modest, seeks someone less perfect to patronize and condescend to.

Stone free vegetarian male, supercalafragilistic-expialidocious, good on pizza, anything for \$5.00.

SWMCS with a good sense of humor, open mind, enjoys most everything including listening to music, having fun with friends, and band. I'm no Tom Cruise but you're probably no Cindy Crawford. Looking for SWFCS with similar interests to be friends, have fun, and explore college life.

Free white male. Has had shots, house broken, gentle, won't bite, great ass. To any loving home.

Tall, brown hair, blue eyes, extremely handsome. I'm a boogie machine, I'm the galloping gourmet, very athletic, a night owl, like country music, love leather, hate chains, and will belly dance for grades.

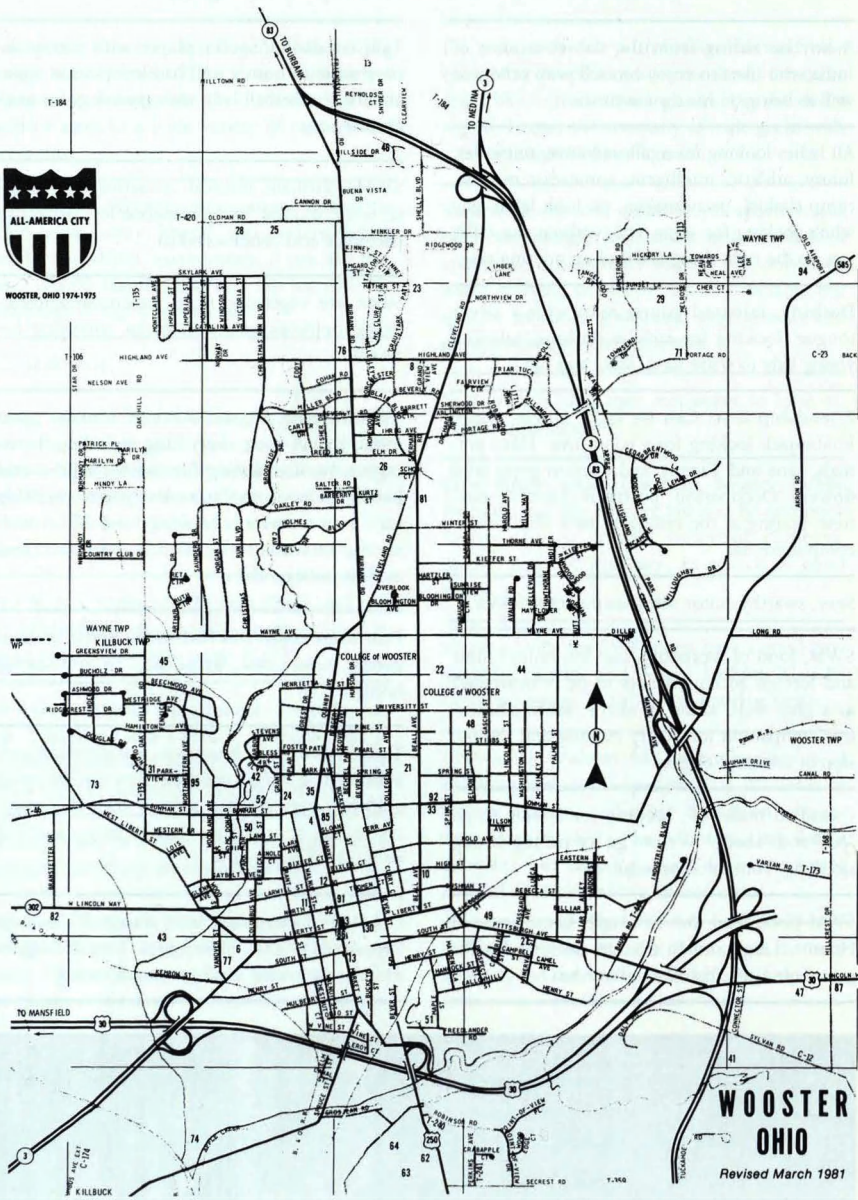

I'm 4'10". I wear sunglasses always. I like to go to museums and lift weights. I smoke cigars and am interested in a girl who does too.

Are you sleeping with someone to die for?

Do you ever stop to think that the person you're sleeping with could have a sexually transmitted disease? Maybe even AIDS? And if you're not up to date on how to protect yourself, you could be making a date with death.

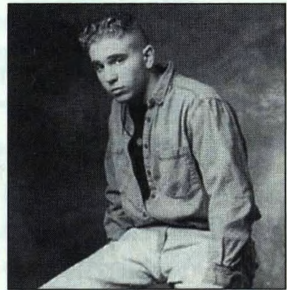

Now we know you've heard all this before. And it's not our intention to scare you. What we want to do is help. Just like we've helped millions of young

men and women over the past 75 years. People who visit us find that we sincerely care about them. We're sensitive, understanding and professional. We're also very affordable and everything is confidential.

You can talk to us about anything, and get all your questions answered in straight talk. And you can take advantage of our extensive range of services, including safer sex education, testing and treatment of sexually transmitted diseases, plus HIV testing, counseling and referral and much more.

The fact is that abstinence is the only sure protection. But we're not going to tell you how to lead your life. We just want to offer you the best reproductive health care you can get.

So make the smart choice and come to Planned Parenthood.
