Chapel Organ Arrives Soon

The first installment of the organ will be playable by mid-October. The organ fund was begun by the class of '69 and since then large gifts have been given by a college friend in Pennsylvania, the parents of Margaret Anna Riedel, in her memory, and Mr. Davis, enabling the college to make the contract in '55, to the Hoffman Co. of Cleveland who have recently built organs for Chautauqua, Yale and Syracuse.

Although an instrument of three manuals and a great many stops costing about $200 have been planned, we are now getting only the first installment, or about twenty stops.

It is hoped that it can be completed by next year. Mr. Loewy has expressed the wish that there is no dedication until completion.

Book Discussions To Begin Soon

Late spring is a fine season for books published in Koehler and the modern library was asked to check the books in which they had any personal interest. Today they have all been perused and the group who will be discussing the books have been notified.

Informal discussion meetings will be held by individual students. Dick Scholtes has described the general basis of the group. "The book discussion group portrays an interest at the informal, personal level in questions of criticism as an aesthetic discovery of reading and an emotional enjoyment from the books and students who have something in common with each other."

The discussion groups, recommend- ed by the Sanford-Pulitzer Relations Committee and Dr. Walter Norris, will have their first meeting in October or early November. Each group will be following the general basis.

There will be additional copies of the books in the library.

World-Wide Communion To Be Held This Sunday

Puritan Churches in Ohio and around the globe will observe World-Wide Communion this Sunday, Oct. 20, 1955. Services will be conducted in the morning during Sunday morning services.

“Publicaciones,” a page in our section, was pointed out to all students and the modern library was asked to check the books in which they had any personal interest. Today they have all been perused and the group who will be discussing the books have been notified.

WOO STER VOICE  

Scoots Kick-Off 55th Season Tomorrow
Kenyon Lords Provide First Opposition; Fans Get First Glimpse Of One Platoon

by Gay Cox

The Kenyon Lords invade Wooster today, at a 7:30 p.m. start, for their season opener, a game the Scoots will use as a tuneup for their upcoming Mid-American Conference season. The Lords finished fourth in the 1973-74 conference standings and are expected to be a formidable opponent for the Scoots.

The game will feature a clash of styles, with the Lords favoring a more physical approach, while the Scoots will rely on their speed and agility. The Lords have a strong defense, led by senior captain Mike McDonald, who is expected to have an impact on both ends of the court.

On the offensive side, the Lords will look to senior forward Tom Smith, who averaged 13.5 points per game last season, and junior guard Bill Brown, who averaged 12.2 points per game.

The Scoots, on the other hand, will rely on their quickness and ball handling to create opportunities. Senior point guard Tim Johnson is expected to be a key player, as he averaged 10.3 points per game last season.

The game is expected to be a close contest, with both teams having strong chances of victory. The Kenyon Lords will provide a tough challenge for the Scoots, who are looking to start their season on a high note.

The Scoots, led by head coach Fred Cooper, are looking to build on last season's success, where they finished third in the MAC standings and reached the NCAA tournament.

In the meantime, the Scoots will continue to prepare for their upcoming season, with practices and scrimmages taking place every day. The team is looking forward to the challenge of facing the Lords, and is confident in their ability to come out on top.

The game will be played at the Wooster High School gymnasium, with tickets available at the door for $5. Advance tickets are also available at the Wooster High School office.

WOO STER VOICE

The Outcrop

by Fred Cooper

Did you ever hear of a five foot four inch high school graduate who ended up a starting quarterback and running back for a Division I-A football team and later played in the NFL? I did.

On a foggy Saturday morning, I was on the field with my teammates, getting ready for our first home game of the season.

You see, it's not every day that you get to meet someone who has accomplished so much in football. It's truly inspiring to see someone who started out as a small, unknown talent, and went on to achieve such success.

But back to our game. The starting lineup had been announced, and I was nervous but excited. The stadium was filled with family, friends, and supporters, all cheering us on.

The game started with a kickoff, and I could feel the adrenaline pumping through my veins. I was ready to take on whatever the other team threw at me.

As the game progressed, I found myself in the middle of some thrilling plays, making game-changing tackles and leading my team to victory.

It was a day I'll never forget, and one I'll always cherish. Football has taught me so much about life, and I'm forever grateful for the opportunity to play the sport I love.

Music News And Views: Trump, Carruth Give Recital

A planning meeting of the Music Conservatory faculty was held this week to discuss the year’s music calendar.

Possibly was Mr. Richard T. Gore, Head of the Music Department. Others attending were Mr. Daniel Pandell, Professor of Voice; Miss Grace T. Parmalee, Professor of piano; Miss Eunice R. Richardson, Professor of Music; Mr. Robert Young, Professor of Music, teacher of all; Mr. Laurel Lewis, Assistant Professor of Music, instructor in instruments, band and voice; Mr. John Durett, Instructor in organ, piano, and choral music.

Plans were discussed for the Glee Club at Westerminster, under the directorship of Mr. Karl Trump, which is scheduled to tour Florida for their spring concert. Thursday afternoon, this Sunday in Westminster Chapel in a recital at 8:00 pm.

A tour of Ohio cities as well as several out of state weekend trips is planned for the Glee Club’s chorus under the leadership of Billy Trump. The Club is scheduled to tour New York for their spring concert.

Participating in the Glee Club are vocalists and instrumentalists who are members of the Westminster College, also included in the program will be those lovely ladies, the sophomore, plus Tom Wise and the cheerleaders.

The itinerary for visiting Westminster College will be of the most attritious to town guests in the first pre-game calorie of the year.

And God, Our Creator!

by Joyce Hadaway

We are only human beings who are destined to live.

It cannot be true that the purpose of man is to

GROW.

Yet we live, little man, in my small

world.

To show the world we are better

and more noble than we are.

With an upright life and a

steady walk.

And our lighted candle

that some may see and be

more.
