APR 25 1988

Fib Copeland

To: Campus Council Members

From: Karen Young

Date: April 25, 1988

President Copeland has proposed the following change in wording to the paragraph in the Code of Social Responsibility we amended last Tuesday:

These mutually agreed upon expectations and those which follow compose The Code of Social Responsibility. It is the responsibility of the members of the community to abide by all portions of the Code and to accept the obligations placed upon them not only for personal behavior but for the enforcement of the Code through the judicial system.

I would like to submit this for your consideration tomorrow.
