WOOSTER, OHIO

Dear family.

Have lots to write but I
hasent time now. Play went
off grand last night - so many
complement on it but I'll write
details later.

Am so pleased over
my grade card.

Phys. class work -	C.
Physiology Lab -	A-
Greek _____	B
History _____	B-
Religion _____	B
Debate _____	B+
Phys. edment _____	B

If I can keep those grades
and pull that C. up to B. I'll
be on the honor roll.

Grades like those are a
new experience for me.

Enclosed find a few things of interest. After vacation (mostly vacation for me) begins I'll route everything. ~~There~~ was a busy day, and so successful. Play was great. — Big crowd at G. E..

I was going to engage Fred's room before vacation & also reserve a portion as matter if he thought he could do it. But I haven't heard from him as to his decision to have a room-mate or not, etc. so it won't be done unless I hear from him before Wed noon.

Travelling.
