The first complete performance of a Gilbert and Sullivan operetta to be given on the campus will be presented next Monday at 8 p.m. in the chapel. The operetta will be given concert style with complete offstage orchestra in preference to on-stage acting which would have reduced the musical importance.

**WSGA Passes Revision Of Rules**

On Dec. 14, 1954, the Woman's Self Government Association voted on and passed a proposal for revision of the WSGA rules and regulations. This revision, proposed by Kay Simpson, provides that each woman student may have a total of 15 minus credits per semester. These minors will be cumulative over the semester and are to be used for EMERGENCY PURPOSES only.

At the closing hour of the dance, the disk girl will lock the doors. After this time, all girls whose doors have not left it or who have not entered the dormitory will be charged the number of late minutes necessary. They will be checked off on the reel as the means will be collected. If a girl has a pin that would take more than ten minutes, she will have to come to the dean and汫t her in the dormitory at the end of the four hours, or pin and prose and possibly her semester's total of late minutes will be charged.

This provision will cut down on the number of cancellations by removing and anticipating the enmigrants that would arise. Fellowes cannot afford bail and until Feb. 16, at noon.

WOOSTER VOICE

The Outcrop

by FRED CHOP

Today, the Wooster tennis team squared off against Kenyon in a match that was a study in contrasts. While the Kenyon players were dressed in traditional, athletic attire, the Wooster team, on the other hand, donned formal suits and ties, creating a unique atmosphere.

The match began with a doubles match, and Wooster's team emerged victorious, setting the stage for the singles portion of the match. Each player showcased their individual skills and battled for victory.

As the match progressed, the intensity increased, with each player giving their all to dominate the courts. The final set was particularly tense, with both teams displaying exceptional determination and skill.

In the end, Wooster emerged as the victorious team, cementing their status as one of the top tennis programs in the region. The match was not only a testament to the hard work and dedication of the players, but also a reflection of the strong support system that underpins the Wooster tennis program.
