Fall's Production is 'Sorcerer Drive'
The ever-popular comedy of Shakespeare's, "A Midsummer Night's Dream," will be the Little Women's contribution to the Homecoming festivities. It will be presented on October 7, 8, 9, and 10 in Auditorium under the direction of Mr. C. C. Crafts. This hilarious tale of complication of two loves, two couples, and two cast parties,俊吉 will play the part of the shrewish Puck, and it is sure Hepzibah, Queen of the Midsummers, to be a success. The production, directed by junior Jonathan Jeffers, Robert Matthewson, and Jerry Lee and Shirley Wilkerson will take the roles of Lysander, Demetrius, Helena, and Hermia. Four young ladies involved in a minor role: Richard, the figure of the father, one of the young women. Together they will complete the match of Lysander and Hermia. The audience will be thrilled by the antics of Puck and the comical words of the Midsummers. The show will be sponsored by the town's sorcerers, the Reu- and-Flash. The audience will be kept in the palm of their hands. So come and enjoy this delightful production of "A Midsummer Night's Dream."

Other shows in the fall season will be "The Student's Club," "The House," "The Town," and "The College." These shows will be held in the Auditorium and will be sponsored by the Little Women's Club. The Little Women will also have a float in the Homecoming parade, to be held on October 8, 9, and 10.

Scc Fund Campaign
To Start Next Monday
by Jack Saff
The week of October 3rd, the 8th has been set aside for the SCC Fund Raising Campaign. During this time all students on campus will be personally solicited in order to raise additional funds for the 1954-55 budget.

The SCC is an extremely important organization, operated solely by students who are fully responsible for its success in its efforts to coordinate and support Student's Religious activities. The SCC President this year is Dave Little, assisted by Chuck Emery, Campaign Chairman, and Bob Rector, Officer for the SCC Fund Campaign.

Although some of the religious organizations on campus are currently manned with the camp-
us religious organizations, the SCC is attempting to increase the emphasis on student work in the number of Young Women and Young Men. This year, more students than ever before will work with Sunday School and Youth groups as participants in Campus.

Students Visit Conferences
This year the SCC is once again expanding its program a special fund has been set up to encourage students to attend conferences in other parts of the country to discuss their religious organizations. This year, the SCC hopes to keep in touch with other students around the country, thereby ensuring our own religious program.

As diversified as the SCC is, its campus has been a success for the second year in a row. Over one hundred of the budget has been allowed in the Wooster Ledger Fund Project. In the course of the year, one of our students has sold a piece of drapery to their church, and another student has received a letter from their church. Mrs. John, a student at the Christian Theological Seminary, is a great supporter of the SCC.

In addition to the support of the SCC, there are several other organizations that have helped to finance the SCC. The following organizations have made contributions to the SCC: The Women's Auxiliary, the Wooster Lodge, the Wooster Men's Club, and the Wooster Women's Club.

Inside The Waldorf-Wooster

The VOICE would have to be a misnomer for this college, who's haven't yet had a look at the inside of our newest and most luxu-
rious domiciles, on a guided tour of the dorms and help to prepare for the move-in day. The East and West Dorms, the new addition to the College of Wooster, will be completed in time for the West Dorm to be ready for occupancy by September 30th. With a total of 230 beds, the West Dorm will house students in two large dormitories, each with its own dining hall, recreation room, and study area. The East Dorm will house 190 students in smaller dormitories.

The dormitories are designed to provide a living experience that is both comfortable and supportive. They feature private rooms, lounges, and study areas, as well as common areas for socializing and relaxation. The dorms are equipped with modern amenities, including laundry facilities, wireless internet access, and state-of-the-art security systems.

The move-in day will be an exciting event for all students, as they begin their college journey. The VOICE will be covering the event, providing updates and coverage of the day's activities.

For more information on the move-in day and the new dormitories, please contact the Dormitory Office at 330-263-2277, or visit their website at www.wooster.edu/dorms.
This coming Saturday afternoon, the Scott football team will meet in Gambier, Ohio where they will meet the Lords of Kenyon. This game will be on the WOOSTER Voice Conference meeting for the Black and Gold. As you know, they opened their gridiron season against the Grids of Allegheny last week.

Kenyon also began their schedule last week with a game against Ashland. They were soundly trounced 40–0 but no sound opinion can be given as to the game for Ashland did not show the highest grade of football which will be on in the conference this year. Completely outplayed by a superior offene, the Lords showed slight fight in all periods of the game.

Kenyon’s early season shows three victories and four losses. They were not impressive in the contests with Western last week. Western’s steady with the Purple and White dates back to 1930. It was then that the Lords won the ring of a series of games which has lasted 23 years. The overall account shows 14 victories for the Scott, 7 losses and 5 ties.

The fans got a good look at the Fighting Scots Saturday as Coach Spie was able to throw plenty of reserves into action. The squad was as whole shared the touchdowns and touchdowns. The scoring favored the passing attack but some strong running plays led to one score.

The total yards gained in rushing shows a margin over the passing yardage, in spite of what the score finally read. WOOSTER completed all total yards off, leading by 31–6 to 39 yards for the Lakes.

Putting statistics show an average of better than 8 yards for the Scots as to 24 yards for the Lakers. WOOSTER had 12 first downs to six. The Black and Gold had no passes intercepted but returned seven. On the whole, the victors showed superiority in every department.

Looking forward to Saturday, the starting lineup will possibly be the same as for last week. There might be changes made at the last minute but that is how the situation stands now.

The Lords will be hosting the Scots at Berea Field in Gambier. There is a seating capacity of over 3,000 at the stadium so there will be ample seating for the fans and the coaching staffs. The game is a little more than an hour’s drive to Kenyon. The head football coach of the Purple and White is William C. Scott, a graduate of Berea College in 1921. His assistants will be Jess Folkenton and. Frank Stotz.

Through 64 years of football, the Fighting Scots of Wooster have shown themselves to be a football program for a good many years they were considered by the so-called big schools to be of little count. They played large schools and several times came up with the victory. Starting into the season of 1954, they had won 251 games and lost only 46. Thirty-three games have ended in a tie. They hold a record peak for the Black and Gold.

So here’s a salute to the 1954 Scots as they begin another race of ours that now that we’re from Wooster, too.

To the other side of the planet, the football players' sideline parks, worn by every school football team.

**Gridders Travel to Kenyon Tomorrow**

By MAC HAZEL

With a power-packed offense that ripped into the opponent’s zone twice in the first and final periods and once in the third frame, the College of Wooster’s “Gators” eleven opened out the season on Saturday at Sesquicentennial Stadium last Saturday. The Gators beat the Lords of Kenyon in a 32–0 victory and with the Gators coming on the 29, the home crowd could not have been more excited to see their own.31 in three games and an unanswered score from Senior Guard Dick Seabrook burned through the defense of Stars Jack Jenkins, John, and Nick Martin, the Gators scored plenty of points in the last quarter.

All the gators had in serious trouble when they could not press just as the All-American 14 and Martin pressed beautifully out of bounds on the opposition’s one. Gator HB Reed put on the first play in the All-Wooster 26 after which Wooster ran the ball to 25 on a line play and scored on the next play with an aerial from QB Halsey to HB Smith. Marcus’ try-for-point was wide and the ball was a six point lead.

Displaying a running offense that was to dominate their place in the rest of the contest, WOOSTER scored again in the initial frame with a do-it-all 28-yard run from Starting. From their 10 yard line on the Wooster four yard line, he hit the first pass with Martin following by a 20-yard pass to John Martin for the score. After an incomparable pass and a Martin punt kicked for 61, the Greyhounds turned to the 40. An aerial pattern of 26 yards and a Martin pick of 14 for gain, the Gators amassed 13 to a score.

Two runs netted full yard to the 10 and Twenty4 faced a kick that led to the score. With Keene, the Wooster running back, WOOSTER launched an aerial from Forty who hit the first pass with Martin, the fullback for the score.

A splendid aerial effort on the 45 and Keene’s 63 yard punt to the 10, the punters saw the Scots in the end zone at the end of a drive that covered 62 yards.

Herron played the 44 to the Halsey punt as the opposition on the 15. To the 48, the Scots fumbled and it was scooped up by WOOSTER’s and was recovered by Keene for the score. 0

**Voice Of A Young Democrat**

By CHEESE KINGS

"I once said that the Republican 80th Congress was the second worst in our history, but it has now been surpassed, in the wrong direction, by the Republican 91st. . . . It behooves the American people, I think, to give Mr. Eisenhower a Democratic Congress and hope we can save him from the mistakes of his own party." Thus did Harry Truman, the Democrats' old "give 'em hell" campaigner, sound in a letter to Stephen Mitchell, the party chairman, what probably will be the keynote of the Democratic campaign this fall.

The Democratic candidates, with few exceptions, will base their campaigns this fall with as much vigor as the GOP opponents in particular, and the GOP Congress in general, rather than risk an attack upon the president himself. The record of the 81st Congress, in the first place, is mostly criticism and open criticism. While in the case of the president, Mr. Eisenhower is still felt to be too popular to be successfully attacked.

The Democratic members of the last 80th Congress more than once savored part of the president's legislative program, even in the case of the Randall Commission Report, announced what was the president's program for tariff reform and now rightly expected to be invaded by the Republicans.

The hope of the leaders and candidates of the Democratic Party are high. Even Richard Nixon in public and private is expressing doubts about the GOP's chances of retaining control of Congress. Several factors are helping the Democratic cause and special recent incidents indicate a Democratic victory.

First of all, voters usually in a midterm election swing toward the minority. Thus the party in control of Congress usually is lost, or if not controlled, in the elections held between presidential elections. Secondly, the GOP candidates are without the services of one of the McCarthyites and externally have suffered loss of prestige over the disciplining of him. Both of these last two factors are curiously, but not in opposition to each other because two different sets of voters are affected. Many voters who Mr. McCarthy (who hopes to return to the Senate) is a Saviour will vote Republican this year if at all. For the simple reason that with one exception in Illinois, he has refused to campaign for anyone. On the other hand, many said independently many failed to vote in the GOP ticker this year because of the near the party has involved itself over the disciplining of McCarthy. Some were sure that it is being done while other object to the matter in which it is being conducted.

Other groups are wise at the GOP for specific reasons: federal employees fear for their future to move on, etc.

We have seen some evidence so far to indicate an all Democratic victory. The primary elections (held state by state for those states which hold them on local basis) showed a definite Democratic trend. Republican Senator Margaret Chase Smith's winning margin was off 12 percentage points from 1944 as were the winning margins of those congressional running in 1948.

And so we can make this outstanding. The results are already in the history books. The interviews were already being held under the direction of Karl Trump.
