fore a dereliction of democracy, fascism, and communism. Let us look there

practiced by the states which have adopted them. Let us look there

to the nature of these systems, and the manner in which they are

synergic. To learn these rights, we must inquire both as

orthodox and actual, with the state wherein the state grants him, for the two are 1-

of government necessary deals with the rights and privileges, the

discussion of the ordinary man's position under various kinds

UNDER DEMOCRACY, FASCISM, COMMUNISM

THE POSITION OF THE COMMON MAN
