Traffic Patrolmen Condemn Negligence As Major Pedestrian Accident Hazard

by Nancy McCartney

"Since the inauguration of Wooster's three-man patrol force early in March, traffic conditions definitely have improved," reports Bill Hand, chief of the patrol. "However, it goes on, 'the persistent negligence of the students themselves is irreconcilable.'

Harmon Halton, exchange student from Fiske, and Andy Stevenson, Bill's two assistants, express similar emphatic sentiments applied in the Doctor's Office. They contend that if the students are hurt it is their own fault since they continually refuse to obey instructions to cross at the walk.

Frosh Agrees With Editorial

To the Editor:

In reply to last week's editorial regarding class cuts, I would like to offer an opinion. In the Huddle

by Skip Hoyler

As we wind up the baseball forecasts with the bottom trio of the American league, there is little to say. The only certainty is that neither Kansas City, Baltimore, nor Washington will finish any higher than sixth.

Most of the Athletics' fortunes lie in the left arm of little Bobby Shantz, who must return to past form. The infield is good but the catching situation is about as serious as the lack of additional mound material.

Baltimore has too little to offer any aspect of their huge array of veterans and raw rookies. A battle with the Senators for seventh place looms.

Washington sports a few pros in Votz, Sweeves, and Courtney, but the bullpen hurries right there. The pitching is poor and the five young players from the Vernon-Potomac deal have yet to prove themselves. Things might never this way in Brooklyn for Manager Charles Dressen.

Bush, Totten Slug As Scots Triumph

Moats Excels With Strong Mount Job; Swigart Men Host To Oberlin Saturday

by Ken Haynam

Cheered on by the constant barking of an arden baseball fan, a brown and white collie dog, the Scots of Wooster rang up their initial win of the season last Saturday with a sparkling 7-4 victory over the Heidelberg Student Princes.

The triumph was accomplished with a combination of stellar pitching and a couple of clutch extra base blows by the Scot diamondmen as they played host to a good Heidelberg crew. This Saturday the team will entertain Oberlin at the stadium. They travel to Bismarck Tuesday, May 1, for their first contest away from home.

Moats Shaky at Start

The individuals who played key roles in the Heidelberg win include Bill Moats, who went the distance for the Scots. A lack of control caused him trouble the first two innings, but he put them down in order in the third and ran into no real trouble after that, spreading out seven hits altogether to chalk up his first win of the year.

Bob Bush and Stan Totten, shortstop and third baseman respectively for the Scots, unloaded some heavy wood as they blasted out five of the eight hits for the Swigart men. These included a triple by Totten, who also played a head-up defensive game, and a tremendous home run by Bush to pad a slim one-run lead in the late innings.

Oberlin's Three-Run Third

Heidelberg scored three runs in the initial inning from two hits and a walk and added their next and last run in the second inning when the leadoff batter circled the bases with the aid of a couple of wild pitches after that. Moats that the gate, and no Heidelberg batter could get past second base as the Student Princes stranded eight men.

Totten's triple cleared the sacks in the last of the first for Wooster, and he promptly scored on a wild pitch to tie up the game. The third inning three bases and balls, a single into center by Tom Food, and an infield out produced two more runs and gave the Scots a lead they never relinquished.

Bush Connects

Bush iced the game in the eighth as he slammed his four-base blow over the left fielder's head, scoring blank Happer, making the final score 7-4.

Under the leadership of John Swigart, the team has displayed a nice brand of ball, and I know that they would enjoy seeing you at the stadium tomorrow when they tangle with Oberlin.

Munsonmen Lose at Oberlin Track

Women was handed a defeat at its first track meet of the season by a hard to handle Oberlin team April 21 at Oberlin. The Yeomen took 11 and tied one out of 15 events to roll to an easy 93-44 victory.

The temperature was 39 degrees and there was also a noticeable wind from the side a little ahead of the sprinters and hurdlers.

The Cinderella of the home squad started out by taking the one half mile relay. The time was 1:32.4. Woman recovered by sweeping the shot put, Dick Diehl, Stu May and Bob Rades took third, second, and first respectively. The winning heave was 43 feet, nine inches. Oberlin again took command and won the mile with a 4:53.2. Frank Goodfellow came home with a second. But the crin- on and gold thrushes didn't stop there. They went on to take the 100 yard dash in 10.2, the high and low hurdles in 15.8 and 25.5, and the 220 yard dash in 22.9.

Dingle Takes Second

Tom Dingle pulled a second in the 100, Bob Leidy came through with a third in the highs, and Dan Register raked a second in the 220. The sitting of first places was looked for, but John Lamb tied J nouns for the high jump. The height was 5 ft. 9 in. But announced to the way fast. Oberlin came back to take the two mile in a very nice 9:45.5. They were desperately to make a final comeback, the Scots took the broad jump as Dan Register leaped 21 ft. 10% in. and Tom Dingle took third. John Gard- nor, Jack Carrison, Bob May and Bill Stoops combined efforts to win the mile relay in 3:09.1. But it was far too late as the home squad pole swear cleared the bar at 11 ft. 8 in.
