President Loyd added that in addition to the increase in tuition and fees, the Board asks, in anticipation of the reaction, that any students upon whom this charge should not be made to report this fact to at least either the Dean of Women or the Dean of Men. Provision has been made that no presently enrolled student should be forced to leave the College because of inability to meet the increased charges. This provision includes augmenting existing scholarships and assistantships.

We'll Miss You

We have often heard the expression, "We'll miss you around the campus." Although this particular saying is usually associated with seniors, we would like to use it at this time for a different reason. The vice president for student affairs, Mr. J. H. Bindley, who has retired as chairman of the Publications Committee, is one example. As he is known, especially in the VOICE office, have been inseparable during the past several years. Way back in 1964 when he was the editor of the paper, and when he returned to the campus as a professor, he found that the old format was just not working for him. He was a logical choice to head up the Publications Committee and his guidance and encouragement have meant much to the VOICE writing heading, criticizing editorials and complaining about the halibut size of the page. One fateful day everybody was busy and Mr. Biddle was in the office, he took a large piece of paper, tore off a large piece of the VOICE and wrote the following: "We care a lot about the size of the page. We want to have better writing. We want to improve the page. We want to see this paper grow." Mr. Bindley himself and the VOICE to that big night.

There is little more that can be said about Joe Bindley, as an advisor to the paper, except that he was one of the best. We thank him sincerely, wish him the best of luck and hope to see him back real soon.

At the ONUA (Ohio College News Association) Plainville (uninitiated) Conference we were just sitting there listening to a list of questions. Sailors Snag Third; Patterson Top Man in Columbus Event

The past weekend saw eleven members of the Wooster Sailing Club taking their places with the sailors of nine other Midwestern colleges for the OSU Spring Invitational at Columbus. The races lasted a day and a half, and when the final scores were added up, Purdue took first place with 129 points; Ohio State came in second with 120, followed closely by Wooster's 119, giving the Wooster sailors another trophy to add to their collection. Bob Patterson turned in a very fine performance, taking five firsts, one second, and two fourths in eight races with a total of 65 points, for which he was rated Top Skipper in the "A" Division.
