## In "Seconding" the Invitation

In offering the 1934 Commencement program, the College believes it is providing five interesting and stimulating days. The lectures of the Alumni College on Thursday and Friday are thus scheduled to permit the attendance of the greatest possible number. It is thought that this series will provide a genuine intellectual experience through contact with today's faculty members in their classrooms.

Alumni are advised to come for the beginning of the program and to remain until its close, if possible. The Friday and Saturday events are arranged chiefly for the enjoyment and inspiration of those who come back, whether you belong to the youngest or the oldest class. Only as the program satisfies and cheers the home-comer is its usefulness and permanence assured.

Those who can stay over the week-end will discover a new beauty and dignity about the formal and traditional events of Baccalaureate and Commencement-under - t h e - Elms.

Come back for the College's sake and also for your own.

---

At the close of the college year, Dr. Waldo H. Dunn is leaving Wooster permanently to join the faculty of Scripps College, Claremont, California. Friends who wish to greet Dr. and Mrs. Dunn before their departure will want to do so at Commencement.

## Plans of Wooster-Chicago Club

Visitors to the 1934 Century of Progress Exposition at Chicago will have an opportunity to meet their friends through the Chicago Alumni Club. Headquarters will be maintained at Room 1856, Pure Oil Building, 35 East Wacker Drive, Telephone State 2100, Extension 288. The Secretary's files will be available for registration and for reference at all times. Luncheons will be arranged on Saturdays on the exposition grounds, only as the demand is known. Alumni are asked to advise headquarters of intention to be present on any given date at least twenty-four hours in advance, so that necessary arrangements may be made.
